INTRODUCCIÓN

Es muy frecuente, en las revisiones bibliográficas donde sólo se cuenta con el título o el resumen de los artículos (en inglés), que aparezcan nombres de especies sólo con su nombre vulgar. Esto no es habitual en Revistas de ciencias “básicas” (Botánica, Ecología, Fisiología Vegetal, Fitosociología) pero sí lo es cuando se trata de revistas científicas o de divulgación con carácter más agronómico, como sería el caso de los pastos en sus numerosos aspectos o vertientes. La búsqueda del nombre científico de la especie en cuestión, para saber de qué trata el artículo que nos ofrece la bibliografía, no siempre resulta fácil ni asequible.

A la inversa, los autores españoles publicamos en inglés con cierta frecuencia y, aún haciéndolo en español debemos redactar un *summary* o *abstract* en dicho idioma, planteándose entonces el problema inverso: la búsqueda del nombre vulgar en inglés.

Por esta razón, el primero de los autores empezó, hace más de veinte años, a construir una base de datos de nombres vulgares en inglés, a partir fundamentalmente de la lectura de separatas donde, en general, tarde o temprano aparece el nombre científico correspondiente. Dicha base de datos, como es lógico, ha ido enriqueciéndose con los años y, con la valiosa colaboración del segundo de los autores, hemos decidido completarla y ofrecérsela a nuestros colegas de la Sociedad Española para el Estudio de los Pastos (SEEP).

Como indica el título, sólo nos referimos a especies herbáceas y arbustivas (de la flora ibérica), por ser las de mayor interés en Pascicultura. En un principio podría pensarse que la relación de especies que se presenta es exagerada en el ámbito de la SEEP, puesto que, como es obvio, la mayor parte de dichas especies no tienen interés

como alimento para el ganado convencional (vacuno, ovino, caprino, equino...). Sin embargo otras muchas sí lo son para otro tipo de ganado, las abejas, de donde extraen néctar, polen, zumos y propóleos. De muchas especies arbustivas, el ganado puede ramonear frutos, flores, hojas, ramón, rebrotes e incluso cortezas. Muchas especies deben considerarse en Pascicultura no por su valor alimenticio sino por su toxicidad (son muy frecuentes las intoxicaciones en el pastoreo) o por caracteres morfológicos o anatómicos mecánicamente perjudiciales (espinas, limbos cortantes, flores aristadas, frutos espinosos, etc.). Pero incluso las especies tóxicas pueden tener su interés en alimentación puesto que “no hay plantas tóxicas sino dosis tóxicas” y así, dichas especies pueden en algún momento aportar al ganado principios medicinales, tónicos y estimulantes, oligoelementos, sales, etc. Otras especies, sin valor alimenticio aparente, son consideradas en el mundo de la Pascicultura, por su valor ecológico: encespedantes, protectoras del suelo frente a la erosión, adaptaciones a condiciones edáficas adversas (exceso de alcalinidad o acidez, salinidad, exceso de humedad o sequía, etc.). Cada vez son más numerosos en Pascicultura los trabajos que tratan de fitoecología, fitosociología, diversidad vegetal, etc., donde deben tenerse en cuenta “todas” las especies presentes en el pasto. Finalmente, también aparecen en el *diccionario* numerosas especies cultivadas que, en principio, podrían parecer lejanas del mundo de la Pascicultura; sin embargo, muchas de ellas (los cereales por ejemplo) pueden tener también uso forrajero o como rastrojo, y otras aparecen de modo espontáneo en barbechos y eriales. Se han excluido, por razones obvias, especies acuáticas, rupícolas, etc.

La primera parte del *diccionario* presenta los nombres científicos (omitiendo la autoría por razones de simplificación y espacio) y, a continuación, los correspondientes nombres vulgares en inglés. Se dan también nombres de géneros y de familias y sólo excepcionalmente de subespecies. Evidentemente, de muchas especies ibéricas (endémicas, raras o con poca difusión fuera de la Península o de la Cuenca Mediterránea) no existen nombres vulgares en inglés. Los nombres científicos están actualizados con *Flora Europea* o *Flora Ibérica*. Cuando un mismo nombre científico tiene asignados varios nombres vulgares, se repite tantas veces como número de éstos. En total han resultado 2245 táxones (2930 entradas reales por las repeticiones).

La segunda parte del *diccionario* presenta los nombres vulgares en inglés y, a continuación, los correspondientes nombres científicos. El resto de las precisiones del párrafo anterior son válidas para esta parte. Cabe precisar, además, que los nombres vulgares, por la nacionalidad de las revistas, autores de los trabajos, etc., pueden tener orígenes muy diversos (Gran Bretaña, Irlanda, Estados Unidos, Canadá, Australia, Nueva Zelanda, Sudáfrica, etc.), que ahora nos resultaría difícil de atribuir. Por otro lado hacemos constar que, en inglés, la utilización de guiones separadores o incluso la

separación o unión de palabras no parece responder a ninguna regla prefijada (*watercress*, *water dock*, *waterbent*), y lo mismo ocurre con la utilización o no de apóstrofes y genitivos (*dog's-tail* o *dogstail*). Nosotros hemos reflejado la forma más frecuente en la literatura consultada, si bien hemos tratado de homogeneizar; por ejemplo: *hair-grass*, siempre con guión. En total, han resultado 2727 nombres vulgares diferentes (2930 entradas reales por las repeticiones).

Para los nombres vulgares en lenguas españolas, los autores recomiendan las excelentes obras publicadas por el Real Jardín Botánico (CSIC), en la Colección *Archivos de Flora Ibérica*, nº 4, 1992 (Nombres vulgares, I) y nº7, 1996 (Nombres vulgares, II).

Dar una relación bibliográfica de la multitud de artículos y publicaciones utilizados en este trabajo resultaría, además de prolijo, innecesario. No obstante, deseamos hacer constar las siguientes cuatro obras de referencia, que nos han servido para, como última tarea, contrastar y completar la base de datos con que contábamos.

Deseamos finalmente expresar nuestro agradecimiento a D^a M^a Jesús Villa, por su inestimable ayuda en la labor mecanográfica.

DICTIONARY OF COMMON ENGLISH NAMES OF HERBACEOUS AND SHRUBBY IBERIAN PLANTS

INTRODUCTION

In bibliographic reviews where the reader has only to reply on the title or summary of the articles (in English), it is frequently only the common names of species which are given. This is not customary in major scientific journals dealing with the 'basic' sciences

(Botany, Ecology, Plant Physiology, Phytosociology) but is normal in proceedings of ordinary scientific journals or those with a more agronomic character such as those dealing with grasslands in all its numerous aspects and viewpoints. The search for the scientific name of the species in question, in order to know what is being discussed by the article which presents the bibliography to us, is neither always easy nor obtainable.

Conversely, the Spanish authors publish their work in English with a certain frequency and even when they publish in Spanish have to compose a *summary* or *abstract* in English thus presenting the opposite problem: the search for the common English name.

For this reason the first of the authors of this article began, more than twenty years ago, to construct a database of common English names, basically derived from the reading of reprints where, late or early, there appears the corresponding scientific names. As is logical, the aforesaid database has expanded over the years, and with the voluntary collaboration of the second author above, we decided to complete it and offer it to our colleagues in the Spanish Society for the Study of Grasslands.

As the title above indicates, we only deal with herbaceous and shrubby species (of the Iberian flora), particularly those which are of major interest in grassland husbandry. Initially we had thought that the relationship of the presented species to the ambit of the Society was exaggerated since, as is obvious, the largest proportion of the said species does not have interest for conventional livestock farming (cattle, sheep, goats, horses....). However, other species are relevant for another type of husbandry, beekeeping, because of the extraction from these species of nectar, pollen, juices and propolis by bees. On many shrubby species livestock can browse fruits, flowers, leaves, shoots, regrowths and also barks. In grassland husbandry many of the species ought not to be considered for their feeding value but for their toxicity (poisonings during grazing are very frequent) or for injurious, morphological or anatomical characteristics (thorns, sharp branches, awned flowers, spiny fruits, etc.). But the toxic species are of interest in nutrition since 'there are not toxic plants but toxic doses' and so such species can, at some moment, contribute to the medicinal principles of livestock farming by means of tonics, stimulants, trace elements, salts, etc. Other species without apparent feeding value are well regarded in the field of grassland husbandry because of their ecological value: turf or lawn types, protectors of the soil against erosion, species adapted to adverse soil conditions (extreme alkalinity or acidity, salinity, excessive wetness or drought, etc.). Increasingly, grassland husbandry trials which deal with phytocology, phytosociology, vegetational diversity etc., have become more numerous, trials which need to take account of 'all' the species present in the grassland sward. Finally, numerous cultivated species appear in the *dictionary*, species which in principle should have a

distant relevance to the world of grassland husbandry; however, many of them (the cereals for example) can also be used as forage or as stubble and others appear spontaneously in fallowed or uncultivated land. For obvious reasons we have excluded aquatic species, rupicolous species, etc.

The first part of the *dictionary* presents the scientific names (omitting the authority for reasons of simplification and space) and then, the corresponding common English names. We also give names of genera and of families and only exceptionally, of subspecies. Clearly, for many Iberian species (endemic, rare or with a small distribution outwith the Peninsula or Mediterranean Basin) common English names do not exist. The scientific names were brought up-to-date by *European Flora* or *Iberian Flora*. When the same scientific name is assigned several alternative common names, all of these are listed. The total number of entries is comprised of 2245 species (2930 actual entries by including the alternative names).

The second part of the dictionary presents the common English names and then the corresponding scientific names. The rest of the supplementary information names referred to in the preceding paragraph are valid for this part. Moreover, it is certain that the common names, because of the nationality of the journals, authors of the works, etc., can have very diverse origins (Great Britain, Ireland, United States, Canada, Australia, New Zealand, South Africa, etc.) and this would now make it difficult to attribute them precisely. On the other hand, we note clearly that in English the use of separation 'hyphens' or including the separation space or joining together of words does not seem to follow any predefined rule (*water-cress*, *water dock*, *waterbent*) and the same occurs with the use of the apostrophe and genitive cases (*dog's-tail* or *dogstail*). We have used the form that is most frequently used in the literature consulted and so we dealt with these questions in a consistent manner; for example, *hair-grass*, always with a hyphen. The result has been 2727 different common names (2930 actual entries by including alternative names).

For the common Spanish names, the authors recommend the excellent books published by the Real Jardín Botánico (CSIC), in the series *Archivos de Flora Ibérica*, nº 4, 1992 (Nombres vulgares, I) and nº 7, 1996 (Nombres vulgares, II).

To give a bibliography of the multitude of articles and publications in this work would result in it being too drawn out and, in addition, unnecessary. Nevertheless we wish to record the following works of reference which have enabled us, as a final task, to test and complete the database on which we can rely.

Finally we wish to express our thanks to D^a M^a Jesús Villa for her invaluable help in typing.

NOMBRES CIENTÍFICOS-NOMBRES VULGARES EN INGLÉS

SCIENTIFIC NAMES - COMMON NAMES

Abutilon theophrasti: chingma	Agrostis canina: velvet bent
Abutilon theophrasti: indian mallow	Agrostis canina: velvet bentgrass
Abutilon theophrasti: velvetleaf	Agrostis capillaris: browntop
Acanthaceae: bear's-breech family	Agrostis capillaris: browntop bentgrass
Acanthus mollis: bear's-breech	Agrostis capillaris: colonial bentgrass
Aceras anthropophorum: man orchid	Agrostis capillaris: common bentgrass
Aconitum napellus: monk's-hood	Agrostis castellana: highland bentgrass
Aconitum vulparia: fox bane	Agrostis curtisii: bristle bentgrass
Aconitum vulparia: wolf's-bane	Agrostis gigantea: black bentgrass
Acorus calamus: calamus root	Agrostis gigantea: redbtop
Acorus calamus: flagroot	Agrostis nebulosa: cloud bentgrass
Acorus calamus: sweet-flag	Agrostis stolonifera: creeping bentgrass
Actaea spicata: baneberry	Agrostis stolonifera: fiorin
Actaea spicata: herb Christopher	Aira: hair-grass
Achillea: yarrow	Aira caryophylla: silver hair-grass
Achillea ligustica: southern yarrow	Aira praecox: early hair-grass
Achillea millefolium: milfoil	Ajuga: bugle
Achillea millefolium: yarrow	Ajuga chamaepitys: ground-pine
Achillea ptarmica: sneezewort	Ajuga chamaepitys: yellow bugle
Adiantaceae: maidenhair fern family	Ajuga pyramidalis: pyramidal bugle
Adiantum capillus-veneris: maidenhair fern	Ajuga reptans: bugle
Adonis annua: pheasant's-eye	Alcea rosea: hollyhock
Adoxa moschatellina: moschatel	Alchemilla: lady's-mantle
Adoxaceae: moschatel family	Alchemilla alpina: alpine lady's-mantle
Aegilops: goatgrass	Alchemilla xanthochlora: lady's-mantle
Aegilops: wild wheat	Alisma plantago-aquatica: water plantain
Aegilops triuncialis: barb goatgrass	Alopecurus: foxtail
Aegilops triuncialis: hard goatgrass	Alopecurus aequalis: orange foxtail
Aeonium arboreum: aeonium	Alopecurus aequalis: short-awned foxtail
Aetheorhiza bulbosa: tuberous hawk's-beard	Alopecurus arundinaceus: creeping foxtail
Aethusa cynapium: fool's parsley	Alopecurus bulbosus: bulbous foxtail
Agrimonia: agrimony	Alopecurus geniculatus: kneed foxtail
Agrimonia eupatoria: agrimony	Alopecurus geniculatus: marsh foxtail
Agrimonia procera: fragrant agrimony	Alopecurus geniculatus: water foxtail
Agropyron: wheatgrass	Alopecurus myosuroides: black twitch
Agropyron cristatum: crested wheatgrass	Alopecurus myosuroides: black-grass
Agropyron cristatum: fairway wheatgrass	Alopecurus myosuroides: large foxtail
Agrostema githago: corncockle	Alopecurus myosuroides: slender foxtail
Agrostis: bentgrass	Alopecurus pratensis: meadow foxtail
Agrostis canina: brown bentgrass	Althaea: marsh-mallow

Althaea hirsuta: rough marsh-mallow

Althaea officinalis: marsh-mallow

Alyssum: alison

Alyssum alyssoides: hoary alyssum

Alyssum alyssoides: small alison

Alliaria petiolata: garlic mustard

Alliaria petiolata: hedge garlic

Alliaria petiolata: jack-by-the-hedge

Allium: garlic

Allium: onion

Allium ampeloprasum: leek

Allium ampeloprasum: wild leek

Allium carinatum: keeled garlic

Allium moly: moly

Allium moly: yellow garlic

Allium neapolitanum: neapolitan garlic

Allium nigrum: broad-leaved onion

Allium oleraceum: field garlic

Allium roseum: rosy garlic

Allium scorodoprasum: sand leek

Allium schoenoprasum: chives

Allium sphaerocephalon: round-headed leek

Allium subhirsutum: hairy garlic

Allium triquetrum: three-cornered garlic

Allium ursinum: ramsons

Allium ursinum: wild garlic

Allium ursinum: wood garlic

Allium vineale: crow garlic

Allium vineale: false garlic

Allium vineale: wild onion

Amaranthaceae: pigweed family

Amaranthus: amaranth

Amaranthus: bhaji

Amaranthus: pigweed

Amaranthus albus: tumbleweed

Amaranthus albus: white pigweed

Amaranthus blitoides: prostrate pigweed

Amaranthus cruentus: purple amaranth

Amaranthus deflexus: perennial pigweed

Amaranthus graecizans: short-tepalled pigweed

Amaranthus hybridus: green amaranth

Amaranthus retroflexus: common amaranth

Amaranthus retroflexus: redroot pigweed

Amaranthus standleyanus: indehiscent pigweed

Ambrosia: ragweed

Ambrosia coronopifolia: perennial ragweed

Amelanchier: juneberry

Amelanchier: serviceberry

Amelanchier: shad

Amelanchier: shad bush

Amelanchier: snowy mespilus

Amelanchier ovalis: snowy mespilus

Ammi majus: bullwort

Ammi visnaga: toothpick-plant

Ammophila: beachgrass

Ammophila arenaria: european beachgrass

Ammophila arenaria: marram

Ammophila arenaria: mel grass

Ampelodesmos mauritanica: dis grass

Ampelodesmos mauritanica: diss

Anacamptis pyramidalis: pyramidal orchid

Anagallis: pimpernel

Anagallis: weather-glass

Anagallis arvensis: poor man's weather-glass

Anagallis arvensis: scarlet pimpernel

Anagallis arvensis: shepherd's weather-glass

Anagallis foemina: blue pimpernel

Anagallis minima: chaffweed

Anagallis monelli: blue pimpernel

Anagallis tenella: bog pimpernel

Anchusa: alkanet

Anchusa arvensis: bugloss

Anchusa azurea: garden anchusa

Anchusa officinalis: alkanet

Andropogon: bluestem

Androsace: rock jasmine

Anemone: anemone

Anemone: wind flower

Anemone coronaria: lily-of-the-field

Anemone nemorosa: wood anemone

Anemone ranunculoides: yellow anemone

Anethum graveolens: dill

Angelica: angelica

Angelica sylvestris: wild angelica

Anogramma leptophylla: Jersey fern

Antennaria dioica: cat's foot

Antennaria dioica: mountain everlasting
Anthemis: chamomile
Anthemis arvensis: corn chamomile
Anthemis cotula: mayweed
Anthemis cotula: stinking chamomile
Anthemis tinctoria: dyer's chamomile
Anthemis tinctoria: golden chamomile
Anthemis tinctoria: yellow chamomile
Anthericum liliago: St Bernard's lily
Anthoxanthum: vernal-grass
Anthoxanthum aristatum: annual vernal-grass
Anthoxanthum odoratum: spring grass
Anthoxanthum odoratum: sweet vernal-grass
Anthoxanthum odoratum: vernal-grass
Anthriscus: chervil
Anthriscus caucalis: bur parsley
Anthriscus cerefolium: garden chervil
Anthriscus sylvestris: cow parsley
Anthyllis vulneraria: kidneyvetch
Anthyllis vulneraria: lady's fingers
Apera: silky bent
Apera interrupta: dense silky-bent
Apera spica-venti: loose silky-bent
Apera spica-venti: silky bentgrass
Apera spica-venti: windgrass
Aphanes arvensis: parsley piert
Apiaceae: carrot family
Apium: celery
Apium: marshwort
Apium graveolens: celeriac
Apium graveolens: wild celery
Apium inundatum: lesser marshwort
Apium nodiflorum: fool's watter-cress
Apium repens: creeping marshwort
Apocynaceae: periwinkle family
Aquifoliaceae: holly family
Aquilegia: columbine
Aquilegia: granny-bonnets
Aquilegia pyrenaica: pyrenean columbine
Aquilegia vulgaris: columbine
Arabidopsis thaliana: thale cress
Arabis: cress
Arabis: rock-cress

Arabis: wall cress
Arabis alpina: alpine rock-cress
Arabis collina: rosy cress
Arabis glabra: tower mustard
Arabis hirsuta: hairy rock-cress
Arabis stricta: Bristol rock-cress
Arabis turrata: tower cress
Araceae: lords-and-ladies family
Araliaceae: ivy family
Arbutus unedo: strawberry-tree
Arctium: burdock
Arctium lappa: gobo
Arctium lappa: greater burdock
Arctium minus: lesser burdock
Arctostaphylos: bearberry
Arctostaphylos alpinus: black bearberry
Arctostaphylos alpinus: mountain bearberry
Arctostaphylos uva-ursi: bearberry
Arctostaphylos uva-ursi: mealberry
Arctostaphylos uva-ursi: uva-ursi
Arctotheca calendula: capeweed
Arctotheca calendula: plain treasureflower
Arenaria: sandwort
Arenaria balearica: mossy sandwort
Arenaria ciliata: fringed sandwort
Arenaria serpyllifolia: thyme-leaved sandwort
Argemone mexicana: mexican poppy
Argemone mexicana: prickly poppy
Arisarum proboscideum: mousetailplant
Aristida: wiregrass
Aristida adscensionis: annual bristle grass
Aristida adscensionis: six weeks needle grass
Aristida adscensionis: six weeks three-awn
Aristolochia: birthwort
Aristolochia clematidis: birthwort
Aristolochia rotunda: smearwort
Aristolochiaceae: birthwort family
Armeria: thrift
Armeria alliacea: Jersey thrif
Armeria maritima: sea pink
Armeria maritima: thrift
Armoracia rusticana: horse-radish
Arnoseris minima: lamb's succory

Arnoseris minima: swine succory

Arrhenatherum: oat-grass

Arrhenatherum elatius: false oat-grass

Arrhenatherum elatius: french ryegrass

Arrhenatherum elatius: tall oat-grass

Arrhenatherum elatius var. bulbosum: bulbous oat-grass

Artemisia: mugwort

Artemisia: ragweed

Artemisia: sage

Artemisia: sagebrush

Artemisia abrotanum: lad's love

Artemisia abrotanum: old man

Artemisia abrotanum: southernwood

Artemisia absinthium: absinthe

Artemisia absinthium: wormwood

Artemisia campestris: field wormwood

Artemisia verlotiorum: chinese mugwort

Artemisia vulgaris: mugwort

Arum: lords-and-ladies

Arum italicum: italian lords-and-ladies

Arum maculatum: cuckoo pint

Arum maculatum: jack-in-the-pulpit

Arum maculatum: lords-and-ladies

Arum maculatum: wake-robin

Aruncus dioicus: buk's-beard

Arundo donax: bamboo reed

Arundo donax: giant reed

Arundo donax: spanish reed

Asarina procumbens: trailing snapdragon

Asarum europaeum: asarabacca

Asparagus: asparagus

Asperugo procumbens: madwort

Asperula: woodruff

Asperula arvensis: blue woodruff

Asperula cynanchica: squinancywort

Asperula taurina: pink woodruff

Asphodelus albus: white asphodel

Aspleniaceae: spleenwort family

Asplenium: spleenwort

Asplenium adiantum-nigrum: black spleenwort

Asplenium marinum: sea spleenwort

Asplenium obovatum: lanceolate spleenwort

Asplenium ruta-muraria: spleenwort

Asplenium ruta-muraria: wall-rue

Asplenium septentrionale: forked spleenwort

Asplenium trichomanes: maidenhair spleenwort

Aster: aster

Aster: frost flowers

Aster: Michaelmas-daisy

Aster: starwort

Aster lanceolatus: narrow-leaved Michaelmas-daisy

Aster linosyris: goldilocks aster

Aster tripolium: sea aster

Asteraceae: daisy family

Astragalus: goat's thorn

Astragalus: gum sarcocolla

Astragalus: locoweed

Astragalus: milk-vetch

Astragalus: sarcocolla

Astragalus alpinus: alpine milk-vetch

Astragalus cicer: chick-pea milk-vetch

Astragalus danicus: purple milk-vetch

Astragalus glycyphyllos: fitsroot

Astragalus glycyphyllos: wild liquorice

Astrantia major: astrantia

Astrantia major: masterwort

Athyriaceae: lady-fern family

Athyrium distentifolium: alpine lady-fern

Athyrium filix-femina: lady-fern

Atriplex: orache

Atriplex: saltbush

Atriplex halimus: shrubby orache

Atriplex hastata: spear-leaved orache

Atriplex hortensis: garden orache

Atriplex laciniata: frosted orache

Atriplex littoralis: grass-leaved orache

Atriplex patula: common orache

Atropa belladonna: belladonna

Atropa belladonna: deadly nightshade

Aubrieta deltoidea: aubretia

Avena: oat

Avena: oat-grass

Avena barbata: bearded oat

Avena barbata: slender oat

Avena fatua: common wild oat
Avena fatua: spring wild oat
Avena fatua: wild oat
Avena sativa: cultivated oat
Avena sativa: oat
Avena sativa: red oat
Avena sativa: white oat
Avena sativa: wild oat
Avena sterilis: animated oat
Avena sterilis: sterile oat
Avena sterilis: winter wild-oat
Avena strigosa: black oat
Avena strigosa: bristle oat
Avena strigosa: lop-sided oat
Avena strigosa: small oat
Avenula pratensis: meadow oat-grass
Avenula pubescens: downy oat-grass
Azolla filiculoides: water fern
Azollaceae: water fern family
Baccharis halimifolia: consumption weed
Baccharis halimifolia: tree groundsel
Balsaminaceae: balsam family
Ballota nigra: black horehound
Barbarea: winter-cress
Barbarea intermedia: medium flowered winter-cress
Barbarea verna: american winter-cress
Barbarea verna: land cress
Barbarea verna: winter-cress
Barbarea verna: yellow rocket
Barbarea vulgaris: winter-cress
Barbarea vulgaris: yellow rocket
Bartsia alpina: alpine bartsia
Bellis perennis: daisy
Bellis perennis: hen-and-chickens
Berberidaceae: barberry family
Berberis: barberry
Berberis vulgaris: barberry
Berula erecta: lesser water-parsnip
Beta vulgaris: beet
Beta vulgaris: mangel-wurzel
Beta vulgaris: mangold
Beta vulgaris: sugar beet

Bidens: bur-marigold
Bidens: cuckold
Bidens cernua: nodding bur-marigold
Bidens frondosa: beggarticks
Bidens pilosa: beggarticks
Bidens pilosa: black-jack
Bidens tripartita: trifid bur-marigold
Bilderdykia aubertii: russian-vine
Bilderdykia convolvulus: black-bindweed
Bilderdykia dumetorum: copse-bindweed
Biserrula pelecinus: biserrula
Bituminaria: scurfy pea
Blackstonia perfoliata: yellow-wort
Blechnaceae: hard-fern family
Blechnum spicant: hard-fern
Blysmus compressus: flatsedge
Boraginaceae: borage family
Borago officinalis: borage
Botrychium lunaria: moonwort
Brachiaria eruciformis: signal-grass
Brachypodium: false brome
Brachypodium distachyon: purple false-brome
Brachypodium distachyon: stiff brome
Brachypodium pinnatum: clalk false-brome
Brachypodium pinnatum: tor-grass
Brachypodium sylvaticum: false brome
Brassica: cabbage
Brassica: mustard
Brassica: rape
Brassica juncea: chinese mustard
Brassica juncea: rai
Brassica napus: canola
Brassica napus: colza
Brassica napus: rape
Brassica nigra: black mustard
Brassica oleracea: cabbage
Brassica rapa: sarson
Brassica rapa: turnip
Brassica tournefortii: pale cabbage
Brassicaceae: cabbage family
Briza: quaking-grass
Briza: shaking-grass
Briza maxima: big quaking-grass

Briza maxima: greater quaking-grass
Briza media: intermediate quaking-grass
Briza media: jiggle-joggles
Briza media: mean quaking-grass
Briza media: quaking-grass
Briza media: tottergrass
Briza minor: lesser quaking-grass
Briza minor: little quaking-grass
Briza minor: shiverygrass
Bromus: brome
Bromus: brome grass
Bromus arvensis: corn brome grass
Bromus arvensis: field brome
Bromus arvensis: field chess
Bromus benekenii: lesser hairy-brome
Bromus commutatus: hairy chess
Bromus commutatus: meadow brome
Bromus diandrus: great brome
Bromus diandrus: ripgut brome
Bromus diandrus: slands grass
Bromus erectus: upright brome
Bromus hordeaceus: soft chess
Bromus hordeaceus: soft-brome
Bromus inermis: hungarian brome
Bromus inermis: smooth brome
Bromus lanceolatus: large-headed brome
Bromus lanceolatus: mediterranean brome
Bromus lanceolatus: purple-awned brome
Bromus madritensis: compact brome
Bromus racemosus: smooth brome
Bromus ramosus: hairy-brome
Bromus rigidus: bronchoglass
Bromus rigidus: great brome
Bromus rigidus: ripgut brome
Bromus rigidus: ripgutgrass
Bromus rubens: foxtail brome
Bromus rubens: foxtail chess
Bromus rubens: red brome
Bromus secalinus: cheat grass
Bromus secalinus: chess brome
Bromus secalinus: rye brome
Bromus sterilis: barren brome
Bromus sterilis: poverty brome

Bromus sterilis: sterile brome
Bromus tectorum: downy brome
Bromus tectorum: drooping brome
Bromus tectorum: wall brome
Bromus willdenowii: prairie grass
Bromus willdenowii: rescue brome
Bromus willdenowii: rescuegrass
Bromus willdenowii: Schraders brome grass
Bunias: warty-cabbage
Bunium bulbocastanum: great pignut
Bupleurum: hare's-ear
Bupleurum baldense: small hare's-ear
Bupleurum falcatum: sickle-leaved hare's-ear
Bupleurum fruticosum: shrubby hare's-ear
Bupleurum rotundifolium: thorow-vax
Bupleurum tenuissimum: slender hare's-ear
Butomaceae: flowering-rush family
Butomus umbellatus: flowering-rush
Buxaceae: box family
Buxus sempervirens: box
Buxus sempervirens: boxwood
Cakile maritima: sea rocket
Calamagrostis: small-reed
Calamagrostis canescens: purple small-reed
Calamagrostis epigejos: wood small-reed
Calamintha: calamint
Calamintha sylvatica: wood calamint
Calendula: marigold
Calendula arvensis: field marigold
Calendula officinalis: pot marigold
Calendula officinalis: ruddles
Calicotome spinosa: prickly broom
Calitriche: starwort
Caltha palustris: king cup
Caltha palustris: marsh marigold
Caltha palustris: may blob
Calystegia: bindweed
Calystegia sepium: hedge bindweed
Calystegia silvatica: large bindweed
Calystegia soldanella: sea bindweed
Callitrichaceae: water-starwort family
Callitriche obtusangula: brunt-fruited water-starwort

- Calluna vulgaris:** heather
Calluna vulgaris: ling
Camelina: gold-of-pleasure
Camelina microcarpa: lesser gold-of-pleasure
Camelina sativa: false flax
Camelina sativa: gold-of-pleasure
Campanula: bellflower
Campanula glomerata: clustered bellflower
Campanula latifolia: giant bellflower
Campanula medium: Canterbury-bells
Campanula patula: spreading bellflower
Campanula persicifolia: peach-leaved bellflower
Campanula rapunculoides: creeping bellflower
Campanula rapunculus: rampion bellflower
Campanula rotundifolia: bluebell
Campanula rotundifolia: harebell
Campanula trachelium: nettle-leaved bellflower
Campanulaceae: bellflower family
Caprifoliaceae: honeysuckle family
Capsella: shepherd's-purse
Capsella bursa-pastoris: shepherd's-purse
Capsella rubella: pink shepherd's-purse
Cardamine: bitter-cress
Cardamine: cress
Cardamine amara: large bitter-cress
Cardamine flexuosa: wavy bitter-cress
Cardamine heptaphylla: pinnate coralroot
Cardamine hirsuta: hairy bitter-cress
Cardamine impatiens: narrow-leaved bitter-cress
Cardamine pratensis: cuckooflower
Cardamine pratensis: lady's smock
Cardamine pratensis: meadow cress
Cardamine pratensis: spinks
Cardamine raphanifolia: greater cuckooflower
Cardaria draba: hoary cress
Carduus: thistle
Carduus crispus: welted thistle
Carduus nutans: musk thistle
Carduus pycnocephalus: Plymouth thistle
Carduus tenuiflorus: slender thistle
Carex: sedge
Carex acutiformis: lesser pond-sedge
Carex arenaria: sand sedge
Carex atrata: black alpine-sedge
Carex binervis: green-ribbed sedge
Carex capillaris: hair sedge
Carex caryophylla: spring sedge
Carex curta: white sedge
Carex davalliana: Davall's sedge
Carex depauperata: starved wood-sedge
Carex digitata: fingered sedge
Carex dioica: dioecious sedge
Carex distans: distant sedge
Carex disticha: brown sedge
Carex divisa: divided sedge
Carex divulsa: grey sedge
Carex echinata: star sedge
Carex elata: tufted-sedge
Carex ericetorum: rare sping-sedge
Carex extensa: long-bracted sedge
Carex flacca: glaucous sedge
Carex flava: large yellow-sedge
Carex hirta: hairy sedge
Carex hostiana: tawny sedge
Carex lachenalii: hare's-foot sedge
Carex laevigata: smooth-stalked sedge
Carex lasiocarpa: slender sedge
Carex limosa: bog-sedge
Carex maritima: curved sedge
Carex montana: soft-leaved sedge
Carex muricata: prickly sedge
Carex nigra: common sedge
Carex ornithopoda: bird's-foot sedge
Carex otrubae: false fox-sedge
Carex ovalis: oval sedge
Carex pallescens: pale sedge
Carex panicea: carnation sedge
Carex paniculata: greater tussock-sedge
Carex pendula: pendulous sedge
Carex pilulifera: pill sedge
Carex pseudocyperus: cyperus sedge
Carex pulicaris: flea sedge
Carex punctata: dotted sedge
Carex remota: remote sedge
Carex riparia: greater pond-sedge
Carex rostrata: bottle sedge

Carex rupestris: rock sedge
Carex spicata: spiked sedge
Carex strigosa: thin-spiked wood-sedge
Carex sylvatica: wood-sedge
Carex tomentosa: downy-fruited sedge
Carex trinervis: three-nerved sedge
Carex vaginata: sheathed sedge
Carex versicaria: bladder-sedge
Carex vulpina: true fox-sedge
Carlina: carline
Carlina: thistle
Carlina vulgaris: carline thistle
Carthamus: safflower
Carthamus: saffron thistle
Carthamus lanatus: downy safflower
Carthamus tinctorius: kurdee
Carthamus tinctorius: safflower
Carum: caraway
Carum carvi: caraway
Carum carvi: kümmel
Carum carvi: seedcake
Carum verticillatum: whorled caraway
Caryophyllaceae: pink family
Catabrosa aquatica: water hair
Catabrosa aquatica: whorl-grass
Caucalis: bur parsley
Cenchrus: bur grass
Cenchrus: hedgehog grass
Cenchrus: sandbur
Centaurea: bluebottle
Centaurea: centaury
Centaurea: knapweed
Centaurea: star-thistle
Centaurea aspera: rough star-thistle
Centaurea calcitrapa: red star-thistle
Centaurea cyanus: cornflower
Centaurea diluta: lesser star-thistle
Centaurea jacea: brown knapweed
Centaurea melitensis: maltese star-thistle
Centaurea montana: mountain bluet
Centaurea montana: perennial cornflower
Centaurea nigra: common knapweed
Centaurea nigra: hard heads

Centaurea paniculata: Jersey knapweed
Centaurea sabiosa: greater knapweed
Centaurea solstitialis: yellow star-thistle
Centaureum: centaury
Centaureum erythraea: common centaury
Centaureum pulchellum: lesser centaury
Centaureum scilloides: perennial centaury
Centaureum tenuiflorum: slender centaury
Centranthus: red valerian
Centranthus calcitrapae: annual valerian
Centranthus ruber: red valerian
Cephalanthera: helleborine
Cephalanthera damasonium: white helleborine
Cephalanthera longifolia: narrow-leaved helleborine
Cephalanthera rubra: red helleborine
Cephalaria: giant scabious
Cerastium: chickweed
Cerastium: mouse-ear
Cerastium: mouse-ear chickweed
Cerastium alpinum: alpine mouse-ear
Cerastium arvense: field mouse-ear
Cerastium brachypetalum: grey mouse-ear
Cerastium cerastoides: starwort mouse-ear
Cerastium diffusum: sea mouse-ear
Cerastium fontanum: common mouse-ear
Cerastium glomeratum: sticky mouse-ear
Cerastium pumilum: dwarf mouse-ear
Cerastium semidecandrum: little mouse-ear
Ceterach officinarum: rustyback
Cicendia filiformis: yellow centaury
Cicerbita: blue-sow-thistle
Cicerbita alpina: alpine blue-sow-thistle
Cicerbita plumieri: hairless blue-sow-thistle
Cicuta virosa: cowbane
Cicuta virosa: water hemlock
Cichorium intybus: chicory
Cichorium intybus: succory
Circaea: enchanter's-nightshade
Circaea alpina: alpine enchanter's-nightshade
Circaea intermedia: upland enchanter's-nightshade
Circaea lutetiana: enchanter's-nightshade

- Cirsium:** thistle
Cirsium acaule: dwarf thistle
Cirsium arvense: canadian thistle
Cirsium arvense: creeping thistle
Cirsium dissectum: meadow thistle
Cirsium eriophorum: woolly thistle
Cirsium erisithales: yellow thistle
Cirsium helenioides: melancholy thistle
Cirsium oleraceum: cabbage thistle
Cirsium palustre: marsh thistle
Cirsium tuberosum: tuberous thistle
Cirsium vulgare: bull thistle
Cirsium vulgare: scotch thistle
Cirsium vulgare: spear thistle
Cistaceae: rock-rose family
Cistus: cistus
Cistus: rock-rose
Cistus ladanifer: ladanum
Cistus monspeliensis: Montpellier cistus
Cistus salviaefolius: sage leaf cistus
Cladium mariscus: great fen-sedge
Clematis flammula: virgin's-bower
Clematis vitalba: old maid's beard
Clematis vitalba: traveller's joy
Clematis viticela: purple clematis
Clinipodium vulgare: wild basil
Clusiaceae: St John's-wort family
Cochlearia: scurvygrass
Cochlearia officinalis: common scurvygrass
Cochlearia pyrenaica: pyrenean scurvygrass
Coeloglossum viride: frog bit
Coeloglossum viride: frog orchid
Colchicum autumnale: autumn crocus
Colchicum autumnale: meadow saffron
Colutea arborescens: bladder-senna
Commelinaceae: spiderwort family
Conium maculatum: hemlock
Conopodium majus: earth nut
Conopodium majus: pignut
Conringia orientalis: hare's-ear mustard
Consolida: larkspur
Consolida orientalis: eastern larkspur
Convallaria majalis: lily-of-the-valley
Convolvulaceae: bindweed family
Convolvulus arvensis: corn bind
Convolvulus arvensis: field bindweed
Conyza: fleabane
Conyza bonariensis: argentine fleabane
Conyza canadiensis: canadian fleabane
Corallorrhiza trifida: coralroot orchid
Coriandrum sativum: coriander
Coronilla: scorpion vetch
Coronilla: senna
Coronilla emerus: scorpion senna
Coronilla scorpioides: annual scorpion-vetch
Coronilla valentina: bastard senna
Coronilla valentina: shrubby scorpion-vetch
Coronilla varia: crownvetch
Coronopus: swine-cress
Coronopus: watercress
Coronopus didymus: lesser swine-cress
Coronopus squamatus: swine-cress
Corrigiola litoralis: strapwort
Cortaderia selloana: pampas-grass
Corydalis: corydalis
Corydalis bulbosa: hollow-root
Corydalis solida: bird-in-a-bush
Corynephorus: hair-grass
Corynephorus canescens: grey hair-grass
Cotoneaster integerrimus: wild cotoneaster
Cotula coronopifolia: buttonweed
Crambe maritima: sea-kale
Crassula: pigmyweed
Crassula tillaea: mossy stonecrop
Crassulaceae: stonecrop family
Crataegus: hawthorn
Crataegus: may
Crataegus: thorn
Crataegus azarolus: azarole
Crataegus laciniata: oriental hawthorn
Crataegus laevigata: midland hawthorn
Crataegus monogyna: bread-and-cheese
Crataegus monogyna: hawthorn
Crataegus monogyna: quickthorn quickset
Crataegus monogyna: whitethorn
Crepis: hawk's-beard

- Crepis biennis:** rough hawk's-beard
Crepis capillaris: smooth hawk's-beard
Crepis foetida: stinking hawk's-beard
Crepis mollis: northern hawk's-beard
Crepis nicaensis: french hawk's-beard
Crepis paludosa: marsh hawk's-beard
Crepis setosa: bristly hawk's-beard
Crepis tectorum: narrow-leaved hawk's-beard
Crepis vesicaria: beaked hawk's-beard
Crithmum maritimum: rock samphire
Crocus: crocus
Crocus nudiflorus: autumn crocus
Crocus vernus: dutch crocus
Crocus vernus: spring crocus
Cruciata: crosswort
Cruciata laevipes: crosswort
Cryptogramma crispa: parsley fern
Cucubalus baccifer: berry catchfly
Cuminum cyminum: cumin
Cuscuta: devil's guts
Cuscuta: dodder
Cuscuta: scald
Cuscuta epithymum: dodder
Cuscuta europaea: greater dodder
Cuscutaceae: dodder family
Cyclamen: cyclamen
Cymbalaria muralis: ivy-leaved toadflax
Cymbalaria muralis: mother-of-thousands
Cymbalaria muralis: pennywort
Cymbalaria muralis: wandering sailor
Cynodon dactylon: bermudagrass
Cynodon dactylon: couchgrass
Cynodon dactylon: dhob
Cynodon dactylon: dhub
Cynodon dactylon: doob grass
Cynodon dactylon: kweek grass
Cynoglossum: hound's-tongue
Cynoglossum germanicum: green hound's-tongue
Cynoglossum officinale: hound's-tongue
Cynosurus: dog's-tail
Cynosurus: silky bent
Cynosurus cristatus: crested dog's-tail
Cynosurus echinatus: hedgehog dog's-tail grass
Cynosurus echinatus: rough dog's-tail
Cyperaceae: sedge family
Cyperus: galingale
Cyperus eragrostis: pale galingale
Cyperus fuscus: brown galingale
Cyperus longus: galingale
Cyperus longus: sweet galingale
Cypripedium calceolus: lady's-slipper
Cystopteris: bladder-fern
Cystopteris dickieana: Dickie's bladder-fern
Cystopteris fragilis: brittle bladder-fern
Cystopteris montana: mountain bladder-fern
Cytisus: broom
Cytisus multiflorus: white broom
Cytisus scoparius: broom
Cytisus scoparius: european broom
Cytisus striatus: hairy-fruited broom
Chaenorhinum: toadflax
Chaenorhinum minus: small toadflax
Chaenorhinum origanifolium: malling toadflax
Chaerophyllum: chervil
Chaerophyllum aureum: golden chervil
Chaerophyllum hirsutum: hairy chervil
Chaerophyllum temulentum: rough chervil
Chamaemelum nobile: chamomile
Chamaemelum nobile: chamomile tea
Chamaemelum nobile: sweet chamomile
Chamaenerion angustifolium: rosebay
 willowherb
Chamaerops humilis: algerian fibre
Chamomilla recutita: wild chamomile
Chamomilla suaveolens: pineapple-weed
Cheiranthus: gilliflower
Cheiranthus cheiri: wall-flower
Chelidonium majus: greater celandine
Chenopodiaceae: goosefoot family
Chenopodium: goosefoot
Chenopodium: lambsquarters
Chenopodium album: fat-hen
Chenopodium ambrosioides: epazote
Chenopodium ambrosioides: mexican-tea
Chenopodium ambrosioides: wormseed

Chenopodium bonus-henricus: allgood
Chenopodium bonus-henricus: blite
Chenopodium bonus-henricus: good-King-Henry
Chenopodium ficifolium: fig-leaved goosefoot
Chenopodium glaucum: oak-leaved goosefoot
Chenopodium hybridum: maple-leaved goosefoot
Chenopodium multifidum: scented goosefoot
Chenopodium murale: nettle-leaved goosefoot
Chenopodium opulifolium: grey goosefoot
Chenopodium polyspermum: many-seeded goosefoot
Chenopodium rubrum: red goosefoot
Chenopodium urbicum: upright goosefoot
Chenopodium vulvaria: stinking goosefoot
Chrysanthemum: crown daisy
Chrysanthemum coronarium: crown daisy
Chrysanthemum segetum: corn marigold
Chrysosplenium: golden-saxifrage
Chrysosplenium alternifolium: alternate-leaved golden-saxifrage
Chrysosplenium oppositifolium: opposite-leaved golden-saxifrage
Daboecia cantabrica: St Dabeoc's heath
Dactylis glomerata: cock's-foot
Dactylis glomerata: orchardgrass
Dactylorhiza: marsh-orchid
Dactylorhiza incarnata: early marsh-orchid
Dactylorhiza maculata: heath spotted-orchid
Dactylorhiza majalis: western marsh-orchid
Danthonia: oat-grass
Danthonia: wallaby grass
Danthonia decumbens: heath-grass
Daphne: mezereon
Daphne laureola: spurge-laurel
Daphne mezereum: mezereon
Datura: thorn-apple
Datura ferox: angel's-trumpets
Datura stramonium: Jimson weed
Datura stramonium: stramonium
Datura stramonium: thorn-apple
Daucus carota: carrot

Davallia canariensis: hare's-foot fern
Davalliaceae: hare's-foot fern family
Descurainia sophia: flixweed
Deschampsia: hair-grass
Deschampsia cespitosa: fescue-leaved hair-grass
Deschampsia cespitosa: tufted hair-grass
Deschampsia cespitosa: tussock grass
Deschampsia flexuosa: crinkled hair-grass
Deschampsia flexuosa: wavy hair-grass
Deschampsia setacea: bog hair-grass
Desmazeria: ferngrass
Desmazeria rigida: ferngrass
Desmazeria rigida: hard meadow grass
Desmazeria rigida: hard Poa
Dianthus: gilliflower
Dianthus: pink
Dianthus armeria: Deptford pink
Dianthus barbatus: sweet-William
Dianthus caryophyllus: carnation
Dianthus caryophyllus: clove gilliflower
Dianthus caryophyllus: picotee
Dianthus deltoides: maiden pink
Dianthus deltoides: meadow pink
Dianthus gallicus: Jersey pink
Digitalis: foxglove
Digitalis lutea: straw foxglove
Digitalis purpurea: foxglove
Digitaria: crab grass
Digitaria: finger-grass
Digitaria: witch-grass
Digitaria: woollyfinger
Digitaria ischaemum: smooth finger-grass
Digitaria sanguinalis: hairy crabgrass
Digitaria sanguinalis: hairy finger-grass
Diphasium alpinum: alpine clubmoss
Diphasium complanatum: Issler's clubmoss
Diplotaxis: wall-rocket
Diplotaxis erucoides: white rocket
Diplotaxis muralis: annual wall-rocket
Diplotaxis tenuifolia: perennial wall-rocket
Dipsacaceae: teasel family
Dipsacus: teasel
Dipsacus fullonum: wild teasel

Dipsacus pilosus: shepherd's rod
Dipsacus pilosus: small teasel
Dipsacus sativus: fuller's teasel
Dittrichia: fleabane
Dittrichia graveolens: stinking fleabane
Dittrichia viscosa: woody fleabane
Doronicum: leopard's-bane
Doronicum pardalianches: leopard's-bane
Doronicum plantagineum: plantain-leaved leopard's-bane
Draba: whitlowgrass
Draba aizoides: yellow witlowgrass
Draba incana: hoary witlowgrass
Draba muralis: wall witlowgrass
Draculus vulgaris: dragon arum
Drosera: sundew
Drosera intermedia: oblong-leaved sundew
Drosera rotundifolia: round-leaved sundew
Droseraceae: sundew family
Dryas octopetala: mountain avens
Dryopteridaceae: buckler-fern family
Dryopteris: buckler-fern
Dryopteris: shield-fern
Dryopteris abbreviata: mountain male-fern
Dryopteris aemula: hay-scented buckler-fern
Dryopteris borrieri: male-fern
Dryopteris carthusiana: narrow buckler-fern
Dryopteris dilatata: broad buckler-fern
Dryopteris dilatata: florist's-fern
Dryopteris filix-mas: male-fern
Dryopteris villarii: rigid buckler-fern
Echinochloa: cockspur
Echinochloa colona: jungle rice
Echinochloa colona: shama millet
Echinochloa crus-galli: barnyard grass
Echinochloa crus-galli: cockspur
Echinochloa crus-galli: japanese millet
Echinops: globe-thistle
Echinops sphaerocephalus: glandular globe-thistle
Echium: viper's-bugloss
Echium plantagineum: Paterson's curse
Echium plantagineum: purple viper's-bugloss

Echium rosulatum: lax viper's-bugloss
Echium vulgare: viper's-bugloss
Elaeagnaceae: sea-buckthorn family
Elaeagnus: elaeagnus
Elaeagnus: oleaster
Elaeagnus: silverberry
Elaeagnus angustifolia: russian olive
Elatinaceae: waterwort family
Elatine: waterwort
Elatine hexandra: six-stamened waterwort
Elatine hydropiper: eight-stamened waterwort
Eleocharis: rush
Eleocharis: spike-rush
Eleocharis austriaca: northern spike-rush
Eleocharis multicaulis: many-stalked spike-rush
Eleocharis palustris: common spike-rush
Eleocharis parvula: dwarf spike-rush
Eleocharis quinqueflora: few-flowered spike-rush
Eleocharis uniglumis: slender spike-rush
Eleusine: crab grass
Eleusine: yard-grass
Eleusine indica: bullgrass
Eleusine indica: crows foot grass
Eleusine indica: goosegrass
Eleusine indica: wiregrass
Eleusine indica: yard-grass
Eleusine tristachya: american yard-grass
Elymus: couch
Elymus: wheatgrass
Elymus: wild rye
Elymus caninus: bearded couch
Elymus caninus: fibrous wheatgrass
Elymus farctus: sand couch
Elymus pungens: sea couch
Elymus repens: common couch
Elymus repens: couchgrass
Elymus repens: quackgrass
Elymus repens: quickgrass
Elymus repens: twitchgrass
Elymus repens: witch-grass
Empetraceae: crowberry family
Empetrum nigrum: crowberry

- Empetrum nigrum:** curlewberry
Epigonium aphyllum: ghost orchid
Epilobium: californian fuchsia
Epilobium: willowherb
Epilobium alsinifolium: chickweed willowherb
Epilobium anagallidifolium: alpine willowherb
Epilobium angustifolium: fireweed
Epilobium angustifolium: rosebay willowherb
Epilobium hirsutum: great willowherb
Epilobium lanceolatum: spear-leaved willowherb
Epilobium montanum: broad-leaved willowherb
Epilobium obscurum: short-fruited willowherb
Epilobium palustre: marsh willowherb
Epilobium parviflorum: hoary willowherb
Epilobium roseum: pale willowherb
Epilobium tetragonum: square-stalked willowherb
Epipactis: helleborine
Epipactis atrorubens: dark-red helleborine
Epipactis helleborine: broad-leaved helleborine
Epipactis palustris: marsh helleborine
Equisetaceae: horsetail family
Equisetum: horsetail
Equisetum: scouring rush
Equisetum arvense: field horsetail
Equisetum fluviatile: water horsetail
Equisetum hyemale: rough horsetail
Equisetum palustre: marsh horsetail
Equisetum ramosissimum: branched horsetail
Equisetum sylvaticum: wood horsetail
Equisetum telmateia: great horsetail
Equisetum variegatum: variegated horsetail
Eragrostis: love-grass
Eragrostis barrellieri: mediterranean love-grass
Eragrostis cilianensis: grey love-grass
Eragrostis cilianensis: spreading love-grass
Eragrostis cilianensis: stink-grass
Eragrostis minor: little love-grass
Eragrostis minor: small love-grass
Eragrostis pilosa: indian love-grass
Eragrostis pilosa: Jersey love-grass
Eragrostis pilosa: soft love-grass
Erica: heath
Erica: heather
Erica arborea: arborescent heather
Erica arborea: briar root
Erica arborea: tree heath
Erica ciliaris: Dorset heath
Erica cinerea: bell heather
Erica erigena: irish heath
Erica lusitanica: portuguese heath
Erica mackaiana: Mackay's heath
Erica terminalis: corsican heath
Erica tetralix: bog heather
Erica tetralix: cross-leaved heath
Erica vagans: Cornish heath
Ericaceae: heather family
Erigeron: fleabane
Erigeron acer: blue fleabane
Erigeron annuus: daisy fleabane
Erigeron annuus: tall fleabane
Erigeron karvinskianus: mexican fleabane
Erinacea anthyllis: hedgehog broom
Erinus alpinus: fairy foxglove
Eriophorum: cottongrass
Eriophorum angustifolium: common cottongrass
Eriophorum angustifolium: cotton sedge
Eriophorum latifolium: broad-leaved cottongrass
Eriophorum vaginatum: hare's-tail cottongrass
Erodium: stork's-bill
Erodium botrys: mediterranean stork's-bill
Erodium cicutarium: common stork's-bill
Erodium chium: three-lobed stork's-bill
Erodium malacoides: soft stork's-bill
Erodium maritimum: sea stork's-bill
Erophila: whitlowgrass
Erophila verna: common witlowgrass
Eruca vesicaria: garden rocket
Eruca vesicaria: salad rocket
Erucastum gallicus: hairy rocket
Eryngium: eryngo
Eryngium campestre: field eryngo
Eryngium maritimum: sea-holly
Erysimum: wallflower
Erysimum cheiranthoides: treacle mustard
Erythronium dens-canis: dog's tooth violet

Eschscholzia californica: californian poppy

Eupatorium cannabinum: ague weed

Eupatorium cannabinum: hemp-agrimony

Euphorbia: spurge

Euphorbia amygdaloides: wood spurge

Euphorbia cyparissias: cypress spurge

Euphorbia characias: mediterranean spurge

Euphorbia dulcis: sweet spurge

Euphorbia esula: leafy spurge

Euphorbia exigua: dwarf spurge

Euphorbia helioscopia: sun spurge

Euphorbia hyberna: irish spurge

Euphorbia lathyris: caper spurge

Euphorbia lathyris: mole plant

Euphorbia maculata: spotted spurge

Euphorbia paralias: sea spurge

Euphorbia peplis: purple spurge

Euphorbia peplus: petty spurge

Euphorbia platyphyllos: broad-leaved spurge

Euphorbia portlandica: Portland spurge

Euphorbia serrulata: upright spurge

Euphorbiaceae: spurge family

Euphrasia: eyebright

Euphrasia officinalis: eyebright

Exaculum pusillum: guernsey centaury

Fabaceae: legumes

Fabaceae: pea family

Fagopyrum esculentum: buckwheat

Falcaria vulgaris: longleaf

Ferula: sagapenum

Ferula communis: giant fennel

Festuca: bluegrass

Festuca: fescue

Festuca altissima: wood fescue

Festuca arundinacea: reed fescue

Festuca arundinacea: tall fescue

Festuca gigantea: giant fescue

Festuca heterophylla: various-leaved fescue

Festuca juncifolia: rush-leaved fescue

Festuca lemanii: confused fescue

Festuca ovina: sheep's-fescue

Festuca ovina var. duriuscula: hard fescue

Festuca pratensis: meadow fescue

Festuca rubra: creeping fescue

Festuca rubra: red fescue

Festuca tenuifolia: fine-leaved sheep's-fescue

Filaginella uliginosa: marsh cudweed

Filago: cudweed

Filago gallica: narrow-leaved cudweed

Filago lutescens: red-tipped cudweed

Filago minima: small cudweed

Filago pyramidata: broad-leaved cudweed

Filago vulgaris: common cudweed

Filipendula: meadowsweet

Filipendula ulmaria: meadowsweet

Filipendula vulgaris: dropwort

Foeniculum vulgare: fennel

Fragaria: strawberry

Fragaria moschata: hautbois

Fragaria moschata: hautboy

Fragaria vesca: alpine strawberry

Fragaria vesca: wild strawberry

Frangula alnus: alder buckthorn

Frankenia: sea heath

Frankenia laevis: sea heath

Fritillaria: snake's head

Fritillaria meleagris: fritillary

Fumaria: fumitory

Fumaria bastardii: tall ramping-fumitory

Fumaria capreolata: white ramping-fumitory

Fumaria densiflora: dense-flowered fumitory

Fumaria muralis: common ramping-fumitory

Fumaria officinalis: common fumitory

Fumaria parviflora: fine-leaved fumitory

Fumaria reuteri: Martin's ramping-fumitory

Fumaria vaillantii: few-flowered fumitory

Fumariaceae: fumitory family

Gagea: star-of-Bethlehem

Gagea lutea: yellow star-of-Bethlehem

Galanthus nivalis: snowdrop

Galega officinalis: goat's-rue

Galeopsis: hemp-nettle

Galeopsis angustifolia: red hemp-nettle

Galeopsis ladanum: broad-leaved hemp-nettle

Galeopsis segetum: downy hemp-nettle

Galeopsis tetrahit: common hemp-nettle

- Galinsoga ciliata:** shaggy-soldier
Galium: bedstraw
Galium aparine: cleavers
Galium aparine: gossegrass
Galium aparine: sweet hearts
Galium boreale: northern bedstraw
Galium mollugo: hedge bedstraw
Galium odoratum: woodruff
Galium palustre: common marsh-bedstraw
Galium parisiense: wall bedstraw
Galium pumilum: slender bedstraw
Galium saxatile: heath bedstraw
Galium spurium: false cleavers
Galium tricornutum: corn cleavers
Galium uliginosum: fen bedstraw
Galium verum: lady's bedstraw
Gamochaeta purpurea: american cudweed
Gastridium ventricosum: nit-grass
Gaudinia fragilis: french oat-grass
Genista: broom
Genista: greenweed
Genista anglica: needle furze
Genista anglica: needle whin
Genista anglica: petty whin
Genista hispanica: spanish gorse
Genista pilosa: hairy greenweed
Gentiana: gentian
Gentiana asclepiadea: willow gentian
Gentiana lutea: yellow gentian
Gentiana nivalis: alpine gentian
Gentiana pneumonanthe: marsh gentian
Gentiana verna: spring gentian
Gentianaceae: gentian family
Gentianella: gentian
Gentianella campestris: field gentian
Gentianella ciliata: fringed gentian
Geraniaceae: crane's-bill family
Geranium: crane's-bill
Geranium: geranium
Geranium columbinum: long-stalked crane's-bill
Geranium dissectum: cut-leaved crane's-bill
Geranium endressii: french crane's-bill
Geranium lucidum: shining crane's-bill
Geranium molle: dove's-foot crane's-bill
Geranium nodosum: knotted crane's-bill
Geranium pratense: meadow crane's-bill
Geranium purpureum: little-Robin
Geranium pusillum: small-flowered crane's-bill
Geranium pyrenaicum: hedgerow crane's-bill
Geranium robertianum: herb-Robert
Geranium rotundifolium: round-leaved crane's-bill
Geranium sanguineum: bloody crane's-bill
Geranium sylvaticum: wood crane's-bill
Gesneriaceae: pyrenean-violet family
Geum: avens
Geum rivale: water avens
Geum urbanum: wood avens
Geum urbanum: yellow avens
Gladiolus: bluebell
Gladiolus: gladiolus
Gladiolus communis: eastern gladiolus
Gladiolus illyricus: wild gladiolus
Glaucium: horned-poppy
Glaucium corniculatum: red horned-poppy
Glaucium flavum: sea poppy
Glaucium flavum: yellow horned-poppy
Glaux maritima: sea-milkwort
Glechoma hederacea: alehoof
Glechoma hederacea: ground-ivy
Gleditsia: honey locust
Glyceria: sweet-grass
Glyceria declinata: small sweet-grass
Glyceria fluitans: floating sweet-grass
Glycine max: soja
Glycine max: soy
Glycine max: soya bean
Glycine max: soybean
Glycyrrhiza glabra: liquorice
Gnaphalium: cudweed
Gnaphalium luteo-album: Jersey cudweed
Goodyera repens: creeping lady's-tresses
Gramineae: grass family
Gratiola officinalis: hedge hyssop
Grossulariaceae: gooseberry family
Guizotia abyssinica: niger

Gymnadenia conopsea: fragrant orchid
Gymnadenia conopsea: scented orchid
Gymnadenia conopsea: sweet-scented orchid
Gymnocarpium: oak fern
Gymnocarpium dryopteris: oak fern
Gymnocarpium robertianum: limestone fern
Hainardia cylindrica: barb grass
Hainardia cylindrica: one-glumed hard-grass
Halimione portulacoides: sea-purslane
Hedera helix: ivy
Hedypnois cretica: scaly hawkbit
Hedysarum coronarium: espercet
Hedysarum coronarium: french honeysuckle
Hedysarum coronarium: sulla
Hedysarum coronarium: sulla sweetvetch
Helianthemum: rock-rose
Helianthemum apenninum: white rock-rose
Helianthemum nummularium: common rock-rose
Helianthemum canum: hoary rock-rose
Helianthus tuberosus: Jerusalem artichoke
Helictotrichon: oat-grass
Helichrysum: everlastingflower
Helleborus: hellebore
Helleborus foetidus: bear's foot
Helleborus foetidus: stinking hellebore
Helleborus viridis: green hellebore
Hepatica nobilis: liverleaf
Heracleum sphondylium: cow parsnip
Heracleum sphondylium: hogweed
Herminium monorchis: musk orchid
Herniaria: rupturewort
Herniaria ciliolata: fringed rupturewort
Herniaria glabra: herniary
Herniaria glabra: smooth rupturewort
Herniaria hirsuta: hairy rupturewort
Hesperis matronalis: damask violet
Hesperis matronalis: dame's rocket
Hesperis matronalis: dame's-violet
Hesperis matronalis: rocket
Hesperis matronalis: sweet rocket
Hibiscus: rose mallow
Hibiscus trionum: bladder ketmia

Hieracium: hawkweed
Hieracium flagellare: Shetland mouse-ear-hawkweed
Hieracium peleterianum: shaggy mouse-ear-hawkweed
Hieracium pilosella: mouse-ear-hawkweed
Hieracium praealtum: tall mouse-ear-hawkweed
Himantoglossum hircinum: lizard orchid
Hippocrepis comosa: horseshoe vetch
Hippophae rhamnoides: sea-buckthorn
Hippuridaceae: mare's-tail family
Hippuris vulgaris: mares's tail
Hirschfeldia incana: hoary mustard
Holcus: soft-grass
Holcus lanatus: common velvetgrass
Holcus lanatus: meadow soft-grass
Holcus lanatus: velvetgrass
Holcus lanatus: Yorkshire-fog
Holcus mollis: creeping fog
Holcus mollis: creeping soft-grass
Holcus mollis: german velvetgrass
Holosteum: mouse-ear
Homogyne alpina: purple colt's-foot
Hordelymus europaeus: wood barley
Hordeum: barley
Hordeum bulbosum: bulbous barley
Hordeum distichon: two-rowed barley
Hordeum hystrix: mediterranean barley
Hordeum leporinum: barleygrass
Hordeum leporinum: hare barley
Hordeum leporinum: wild barley
Hordeum marinum: sea barley
Hordeum murinum: mouse barley
Hordeum murinum: wall barley
Hordeum secalinum: meadow barley
Hordeum vulgare: common barley
Hordeum vulgare: pearl barley
Hordeum vulgare: six-rowed barley
Hordeum vulgare: winter barley
Hornungia petraea: hutchinsia
Huperzia selago: fir clubmoss
Hyacinthoides: bluebell
Hyacinthoides hispanica: spanish bluebell

Hyacinthoides italica: italian bluebell
Hyacinthoides non-scripta: bluebell
Hydrocotyle vulgaris: marsh pennywort
Hymenophyllaceae: filmy-fern family
Hymenophyllum tunbrigense: Tunbridge filmy-fern
Hyoscyamus niger: henbane
Hypericum: St John's-wort
Hypericum androsaemum: tutsan
Hypericum elodes: marsh St John's-woort
Hypericum hircinum: stinking tutsan
Hypericum hirsutum: hairy St John's-woort
Hypericum humifusum: trailing St John's-woort
Hypericum maculatum: imperforate St John's-woort
Hypericum montanum: pale St John's-woort
Hypericum nummularium: round-leaved St John's-woort
Hypericum perforatum: perforate St John's-woort
Hypericum pulchrum: slender St John's-woort
Hypericum tetrapterum: square-stalked St John's-woort
Hypericum undulatum: wavy St John's-woort
Hypochaeris: cat's-ear
Hypochaeris glabra: smooth cat's-ear
Hypochaeris maculata: spotted cat's-ear
Hypochaeris radicata: cat's-ear
Hypolepidaceae: bracken family
Hyssopus officinalis: hyssop
Iberis: candytuft
Iberis amara: wild candytuft
Iberis sempervirens: perennial candytuft
Iberis umbellata: garden candytuft
Ilex aquifolium: hedgehog holly
Ilex aquifolium: holly
Illecebrum verticillatum: coral-necklace
Impatiens: balsam
Impatiens: jewel weed
Impatiens noli-tangere: touch-me-not balsam
Imperata cylindrica: alang-alang
Imperata cylindrica: bladygrass
Imperata cylindrica: cogongrass

Imperata cylindrica: cotton grass
Imperata cylindrica: lalang
Inula: fleabane
Inula conyza: plough-man's-spikenard
Inula crithmoides: golden-samphire
Inula helenium: elecampane
Inula salicina: irish fleabane
Ionopsidium acaule: violet cress
Ipomoea: morning-glory
Ipomoea purpurea: morning-glory
Iridaceae: iris family
Iris: flag
Iris: iris
Iris foetidissima: gladdon
Iris foetidissima: roast beef plant
Iris foetidissima: stinking gladwin
Iris foetidissima: stinking iris
Iris germanica: bearded iris
Iris germanica: fleur-de-lis
Iris germanica: orris root
Iris latifolia: english iris
Iris pseudacorus: yellow flag
Iris pseudacorus: yellow iris
Iris spuria: blue iris
Iris xiphium: spanish iris
Isatis tinctoria: dyer's woad
Isatis tinctoria: woad
Isoetaceae: quillwort family
Isoetes: quillwort
Isoetes histrix: land quillwort
Ixia paniculata: tubular corn-lily
Jasione: sheep's-bit
Jasione montana: sheep's-bit scabious
Juncaceae: rush family
Juncaginaceae: arrowgrass family
Juncus: chibasa
Juncus: rush
Juncus acutiflorus: sharp-flowered rush
Juncus acutus: sharp rush
Juncus alpinus: alpine rush
Juncus articulatus: jointed rush
Juncus bufonius: toad rush
Juncus bulbosus: bulbous rush

Juncus capitatus: dwarf rush
Juncus compressus: round-fruited rush
Juncus conglomeratus: compact rush
Juncus effusus: igusa
Juncus effusus: soft-rush
Juncus filiformis: thread rush
Juncus foliosus: leafy rush
Juncus gerardii: saltmarsh rush
Juncus hybridus: frog rush
Juncus inflexus: hard rush
Juncus maritimus: sea rush
Juncus pygmaeus: pigmy rush
Juncus squarrosus: heath rush
Juncus subnodulosus: blunt-flowered rush
Juncus subulatus: Somerset rush
Juncus tenuis: slender rush
Juncus trifidus: three-leaved rush
Juncus triglumis: three-flowered rush
Kickxia: fluellens
Kickxia elatine: sharp-leaved fluellens
Kickxia spuria: round-leaved fluellens
Knautia arvensis: field scabious
Kobresia simpliciuscula: false sedge
Kochia scoparia: summer-cypress
Koeleria: hair-grass
Koeleria macrantha: crested hair-grass
Koeleria macrantha: junegrass
Koeleria vallesiana: Somerset hair-grass
Lactuca: lettuce
Lactuca saligna: least lettuce
Lactuca serriola: compass plant
Lactuca serriola: prickly lettuce
Lactuca virosa: great lettuce
Lactuca virosa: lactucarium
Lagurus ovatus: hare's-tail
Lamarckia aurea: golden dog's-tail
Lamarckia aurea: goldentop grass
Lamiaceae: dead-nettle family
Lamiastrum galeobdolon: yellow archangel
Lamium: dead-nettle
Lamium album: white dead-nettle
Lamium amplexicaule: henbit dead-nettle
Lamium hybridum: cut-leaved dead-nettle

Lamium maculatum: spotted dead-nettle
Lamium purpureum: red dead-nettle
Lappula: bur forget-me-not
Lapsana communis: nipplewort
Lathyrus: pea
Lathyrus: peavine
Lathyrus: vetchling
Lathyrus annuus: fodder pea
Lathyrus aphaca: yellow vetchling
Lathyrus cicer: falcon-pea
Lathyrus cicer: flatpod peavine
Lathyrus heterophyllus: Norfolk everlasting-pea
Lathyrus hirsutus: caleypea
Lathyrus hirsutus: hairy vetchling
Lathyrus hirsutus: roughpea
Lathyrus hirsutus: singletarypea
Lathyrus japonicus: beachpea
Lathyrus japonicus: sea pea
Lathyrus latifolius: broad-leaved everlasting-pea
Lathyrus niger: black pea
Lathyrus nissolia: grass vetchling
Lathyrus palustris: marsh pea
Lathyrus pratensis: meadow vetchling
Lathyrus sativus: dogtooth pea
Lathyrus sativus: grasspea
Lathyrus sativus: khesara
Lathyrus sylvestris: flatpea
Lathyrus sylvestris: narrow-leaved everlasting-pea
Lathyrus sylvestris: Wagner pea
Lathyrus tingitanus: Tangier pea
Lathyrus tuberosus: earth chestnut
Lathyrus tuberosus: tuberous pea
Lavandula: lavender
Lavandula stoechas: french lavender
Lavatera: cheeses
Lavatera: tree-mallow
Lavatera arborea: tree-mallow
Lavatera cretica: smaller tree-mallow
Lavatera olbia: Hyeres tree-mallow
Leersia oryzoides: cut-grass
Leersia oryzoides: rice cut-grass
Legousia: Venus's-looking-glass

Leguminosae: legumes

Lentibulariaceae: bladderwort family

Leontodon: hawkbit

Leontodon autumnalis: autumn hawkbit

Leontodon hispidus: rough hawkbit

Leontodon taraxacoides: lesser hawkbit

Leontopodium alpinum: edelweiss

Leonurus cardiaca: motherwort

Lepidium: cress

Lepidium: pepperwort

Lepidium bonariense: argentine pepperwort

Lepidium campestre: field pepperwort

Lepidium graminifolium: tall pepperwort

Lepidium heterophyllum: Smith's pepperwort

Lepidium latifolium: dittander

Lepidium perfoliatum: perfoliate pepperwort

Lepidium ruderales: narrow-leaved pepperwort

Lepidium sativum: garden cress

Lepidium sativum: golden cress

Lepidium virginicum: least pepperwort

Lepidotis inundata: marsh clubmoss

Leucanthemum: marguerite

Leucanthemum vulgare: crown daisy

Leucanthemum vulgare: dog daisy

Leucanthemum vulgare: moon daisy

Leucanthemum vulgare: oxeye daisy

Leucojum: snowflake

Leucojum aestivum: summer snowflake

Leucojum autumnale: autumn snowflake

Leucojum vernal: spring snowflake

Levesticum officinale: lovage

Leymus arenarius: lyme-grass

Ligusticum: scots lovage

Ligustrum: privet

Ligustrum vulgare: wild privet

Liliaceae: lily family

Lilium: lily

Lilium bulbiferum: orange lily

Lilium martagon: martagon lily

Lilium martagon: turk's-cap

Lilium pyrenaicum: pyrenean lily

Limonium: marsh rosemary

Limonium: sea-lavender

Limonium: statice

Limonium auriculae-ursifolium: broad-leaved sea-lavender

Limonium bellidifolium: matted sea-lavender

Limonium binervosum: rock sea-lavender

Limonium vulgare: common sea-lavender

Limonium vulgare: marsh rosemary

Limosella aquatica: mudwort

Linaceae: flax family

Linaria: toadflax

Linaria arenaria: sand toadflax

Linaria pelisseriana: Jersey toadflax

Linaria repens: pale toadflax

Linaria supina: prostrate toadflax

Linaria vulgaris: butter and eggs

Linaria vulgaris: common toadflax

Linum: flax

Linum bienne: pale flax

Linum catharticum: fairy flax

Linum catharticum: purging flax

Linum narbonense: blue flax

Linum perenne: perennial flax

Linum usitatissimum: flax

Linum usitatissimum: linseed oil

Listera: twayblade

Listera cordata: lesser twayblade

Listera ovata: common twayblade

Lithospermum arvense: bastard alkanet

Lithospermum arvense: field gromwell

Lithospermum officinale: gromwell

Littorella uniflora: shoreweed

Lobelia urens: heath lobelia

Lobularia maritima: sweet alison

Lobularia maritima: sweet alyssum

Loiseleuria procumbens: alpine azalea

Loiseleuria procumbens: trailing azalea

Lolium: ryegrass

Lolium multiflorum: annual ryegrass

Lolium multiflorum: italian ryegrass

Lolium perenne: english ryegrass

Lolium perenne: perennial ryegrass

Lolium remotum: hardy ryegrass

Lolium rigidum: annual ryegrass

Lolium rigidum: mediterranean ryegrass
Lolium rigidum: swiss ryegrass
Lolium rigidum: wimmera ryegrass
Lolium temulentum: bearded ryegrass
Lolium temulentum: darnel
Lolium temulentum: poison ryegrass
Lonicera: honeysuckle
Lonicera caprifolium: perfoliate honeysuckle
Lonicera japonica: japanese honeysuckle
Lonicera periclymenum: honeysuckle
Lonicera xylosteum: fly honeysuckle
Lophochloa cristata: annual cat's-tail
Lophochloa cristata: cat's-tail grass
Lophochloa cristata: mediterranean hair-grass
Lotus: bird's-foot-trefoil
Lotus: trefoil
Lotus corniculatus: bird's-foot-trefoil
Lotus corniculatus: common bird's-foot-trefoil
Lotus corniculatus: eggs and bacon
Lotus pedunculatus: big trefoil
Lotus pedunculatus: greater bird's-foot-trefoil
Lotus tenuis: narrowleaf bird's-foot-trefoil
Lunaria annua: honesty
Lunaria annua: penny flower
Lupinus: lupin
Lupinus albus: egyptian lupin
Lupinus albus: white lupin
Lupinus angustifolius: blue lupin
Lupinus angustifolius: narrow-leaved lupin
Lupinus luteus: yellow lupin
Luzula: wood-rush
Luzula campestris: field wood-rush
Luzula forsteri: southern wood-rush
Luzula luzuloides: white wood-rush
Luzula multiflora: heath wood-rush
Luzula pallescens: fen wood-rush
Luzula pilosa: hairy wood-rush
Luzula sylvatica: great wood-rush
Lycium barbarum: duke of Argyll's teapant
Lycopodiaceae: clubmoss family
Lycopodium: clubmoss
Lycopodium annotinum: interrupted clubmoss
Lycopodium clavatum: stag's-horn clubmoss

Lycopus europaeus: gypsywort
Lycopus europaeus: water horehound
Lychnis: campion
Lychnis: catchfly
Lychnis alpina: alpine campion
Lychnis alpina: alpine catchfly
Lychnis coronaria: mullein pink
Lychnis coronaria: rose campion
Lychnis flos-cuculi: ragged-Robin
Lychnis viscaria: sticky catchfly
Lygeum spartum: albardine
Lysimachia: loosestrife
Lysimachia nemorum: yellow pimpernel
Lysimachia nummularia: creeping-Jenny
Lysimachia nummularia: moneywort
Lysimachia vulgaris: yellow loosestrife
Lythraceae: purple-loosestrife family
Lythrum: purple-loosestrife
Lythrum hyssopifolia: grass-poly
Lythrum junceum: false grass-poly
Lythrum portula: water-purslane
Lythrum salicaria: purple-loosestrife
Maianthemum bifolium: may lily
Malcomia maritima: Virginia stock
Malva: cheeses
Malva: mallow
Malva alcea: greater musk-mallow
Malva moschata: musk-mallow
Malva neglecta: dwarf mallow
Malva nicaensis: french mallow
Malva parviflora: egyptian mallow
Malva parviflora: least mallow
Malva sylvestris: common mallow
Malvaceae: mallow family
Mandragora: mandrake
Marrubium vulgare: white horehound
Marsileaceae: pillwort family
Matricaria: mayweed
Matricaria maritima: sea mayweed
Matthiola: gilliflower
Matthiola: stock
Matthiola incana: Brompton stock
Matthiola incana: hoary stock

Matthiola sinuata: sea stock
Meconopsis: blue poppy
Meconopsis cambrica: welsh poppy
Medicago: burclover
Medicago: medic
Medicago: medick
Medicago arabica: spotted burclover
Medicago arabica: spotted medick
Medicago arborea: moon trefoil
Medicago arborea: tree-medick
Medicago laciniata: tattered medick
Medicago lupulina: black medick
Medicago lupulina: hop clover
Medicago lupulina: shamrock
Medicago lupulina: yellow trefoil
Medicago minima: bur medick
Medicago minima: little burclover
Medicago orbicularis: buttonclover
Medicago polymorpha: California burclover
Medicago polymorpha: Serena medic
Medicago polymorpha: toothed medick
Medicago praecox: early medick
Medicago sativa: alfalfa
Medicago sativa: lucerne
Medicago sativa subsp. falcata: yellow alfalfa
Medicago scutellata: snail medick
Medicago truncatula: barrel medick
Medicago truncatula: strong-spined medick
Melampyrum: cow-wheat
Melampyrum arvense: field cow-wheat
Melampyrum cristatum: crested cow-wheat
Melampyrum pratense: common cow-wheat
Melampyrum sylvaticum: small cow-wheat
Melica: melick
Melica nutans: mountain melick
Melica uniflora: wood melick
Melilotus: melilot
Melilotus: sweetclover
Melilotus alba: white melilot
Melilotus alba: white sweetclover
Melilotus altissima: tall melilot
Melilotus indica: annual yellow sweetclover
Melilotus indica: small melilot

Melilotus indica: sourclover
Melilotus officinalis: ribbed melilot
Melilotus officinalis: yellow melilot
Melilotus officinalis: yellow sweetclover
Melilotus sulcata: furrowed melilot
Melissa officinalis: balm
Melissa officinalis: sweet balm
Melissa officinalis: tea balm
Melittis melissophyllum: bastard balm
Mentha: mint
Mentha aquatica: water mint
Mentha arvensis: corn mint
Mentha arvensis: field mint
Mentha longifolia: false aple-mint
Mentha longifolia: horse mint
Mentha piperita: bergamot mint
Mentha piperita: peppermint
Mentha pulegium: Gibraltar mint
Mentha pulegium: pennyroyal
Mentha spicata: spear mint
Mentha suaveolens: apple-mint
Mentha suaveolens: round-leaved mint
Mentha suaveolens: woolly mint
Mentha verticillata: whorled mint
Mentha villosa: apple-mint
Mercurialis: mercury
Mercurialis annua: annual mercury
Mercurialis perennis: dog's mercury
Meum athamanticum: baldmoney
Meum athamanticum: meu
Meum athamanticum: spignel
Mibora minima: early sand-grass
Milium: millet
Milium effusum: millet grass
Milium effusum: wood millet
Milium vernale: early millet
Minuartia: sandwort
Minuartia hybrida: fine-leaved sandwort
Minuartia recurva: recurved sandwort
Minuartia sedoides: cyphel
Minuartia sedoides: mossy cyphel
Minuartia verna: spring sandwort
Mirabilis jalapa: four-o'clock plant

Misopates calycinum: pale weasel's-snout
Moehringia trinervia: three-nerved sandwort
Moenchia erecta: upright chickweed
Molinia caerulea: purple moor-grass
Moneses uniflora: one-flowered wintergreen
Montia fontana: blinks
Muscari: grape-hyacinth
Muscari botryoides: compact grape-hyacinth
Muscari comosum: feather hyacinth
Muscari comosum: tassel hyacinth
Muscari neglectum: grape-hyacinth
Mycelis murales: wall lettuce
Myosotis: forget-me-not
Myosotis: mouse-ear
Myosotis: scorpion grass
Myosotis alpestris: alpine forget-me-not
Myosotis arvensis: field forget-me-not
Myosotis discolor: changing forget-me-not
Myosotis laxa: tufted forget-me-not
Myosotis ramosissima: early forget-me-not
Myosotis scorpioides: water forget-me-not
Myosotis secunda: creeping forget-me-not
Myosotis sicula: Jersey forget-me-not
Myosotis stolonifera: pale forget-me-not
Myosotis sylvatica: garden forget-me-not
Myosotis sylvatica: wood forget-me-not
Myosoton aquaticum: water chickweed
Myosurus minimus: mousetail
Myrrhis odorata: sweet cicely
Narcissus: daffodil
Narcissus bulbocodium: hoop-petticoat daffodil
Narcissus cyclamineus: cyclamen-flowered daffodil
Narcissus incomparabilis: nonesuch daffodil
Narcissus jonquilla: jonquil
Narcissus odoratus: hybrid jonquil
Narcissus papyraceus: paper-white daffodil
Narcissus poeticus: pheasant's-eye daffodil
Narcissus pseudonarcissus: daffodil
Narcissus pseudonarcissus: Lent lily
Narcissus tazetta: bunch-flowered daffodil
Nardus stricta: mat-grass
Narthecium ossifragum: bog asphodel

Nasturtium: water-cress
Nasturtium microphyllum: narrow-fruited water-cress
Nasturtium officinale: water-cress
Neotinea maculata: dense-flowered orchid
Neottia nidus-avis: bird's-nest orchid
Nepeta: cat-mint
Nepeta: catnep
Nepeta: catnip
Nerium oleander: oleander
Nerium oleander: rose bay
Neslia paniculata: ball mustard
Nigella damascena: love-in-a-mist
Nothoscordum inodorum: honey-bell
Odontites: bartsia
Odontites verna: red bartsia
Oenanthe: water-dropwort
Oenanthe aquatica: fine-leaved water-dropwort
Oenanthe aquatica: water fennel
Oenanthe crocata: hemlock water-dropwort
Oenanthe crocata: water hemlock
Oenanthe fistulosa: tubular water-dropwort
Oenanthe lachenalii: parsley water-dropwort
Oenanthe pimpinelloides: corky-fruited water-dropwort
Oenothera: evening-primrose
Oenothera biennis: common evening-primrose
Oenothera stricta: fragrant evening-primrose
Oleaceae: ash family
Omalotheca: cudweed
Omalotheca supina: dwarf cudweed
Omalotheca sylvatica: heath cudweed
Omphalodes: blue-eyed-Mary
Onagraceae: willowherb family
Onobrychis viciifolia: holy clover
Onobrychis viciifolia: sainfoin
Ononis: restharrow
Ononis baetica: Salzmänn's restharrow
Ononis mitissima: mediterranean restharrow
Ononis natrix: yellow restharrow
Ononis reclinata: small restharrow
Ononis repens: common restharrow
Ononis spinosa: spiny restharrow

- Onopordum acanthium:** cotton thistle
Ophioglossaceae: adder's-tongue family
Ophioglossum: adder's-tongue
Ophioglossum: snake tongue
Ophioglossum lusitanicum: least adder's-tongue
Ophioglossum vulgatum: adder's-tongue
Ophrys: spider-orchid
Ophrys apifera: bee orchid
Ophrys fuciflora: late spider-orchid
Ophrys insectifera: fly orchid
Ophrys sphegodes: early spider-orchid
Orchidaceae: orchid family
Orchis: orchid
Orchis laxiflora: Jersey orchid
Orchis laxiflora: loose-flowered orchid
Orchis mascula: early-purple orchid
Orchis militaris: military orchid
Orchis militaris: soldier orchid
Orchis morio: green-winged orchid
Orchis purpurea: lady orchid
Orchis simia: monkey orchid
Orchis ustulata: burnt orchid
Origanum majorana: marjoram
Origanum majorana: sweet marjoram
Origanum onites: pot marjoram
Origanum vulgare: wild marjoram
Ornithogalum: star-of-Bethlehem
Ornithogalum nutans: drooping star-of-Bethlehem
Ornithogalum pyrenaicum: bath asparagus
Ornithogalum pyrenaicum: spiked star-of-Bethlehem
Ornithogalum umbellatum: star-of-Bethlehem
Ornithopus: bird's-foot
Ornithopus compressus: yellow serradella
Ornithopus perpusillus: bird's-foot
Ornithopus pinnatus: orange bird's-foot
Ornithopus sativus: serradella
Orobanchaceae: broomrape family
Orobanche: broomrape
Orobanche alba: thyme broomrape
Orobanche caryophyllacea: bedstraw broomrape
Orobanche crenata: bean broomrape
Orobanche elatior: knapweed broomrape
Orobanche hederaceae: ivy broomrape
Orobanche minor: common broomrape
Orobanche purpurea: yarrow broomrape
Orobanche ramosa: hemp broomrape
Orobanche rapum-genistae: greater broomrape
Orobanche reticulata: thistle broomrape
Orthilia secunda: serrated wintergreen
Oryza sativa: paddy
Oryza sativa: rice
Osmunda regalis: royal fern
Osmundaceae: royal fern family
Otanthus maritimus: cotton weed
Oxalidaceae: wood-sorrel family
Oxalis: sorrel
Oxalis: wood-sorrel
Oxalis acetosella: hallelujah
Oxalis acetosella: wood-sorrel
Oxalis articulata: pink-sorrel
Oxalis corniculata: procumbent yellow-sorrel
Oxalis europaea: upright yellow-sorrel
Oxalis latifolia: garden pink-sorrel
Oxalis pes-caprae: bermuda-buttercup
Oxytropis: crazyweed
Oxytropis: locoweed
Oxytropis: milk-vetch
Oxytropis: oxytropis
Oxytropis campestris: yellow oxytropis
Oxytropis halleri: purple oxytropis
Paeonia: peony
Paeoniaceae: peony family
Panicum: crab grass
Panicum: millet
Panicum: panic
Panicum: panic grass
Panicum: switch-grass
Panicum capillare: witch-grass
Panicum miliaceum: broom millet
Panicum miliaceum: broomcorn
Panicum miliaceum: common millet
Panicum miliaceum: hog millet
Panicum miliaceum: proso millet
Panicum miliaceum: russian millet

- Panicum repens:** torpedograss
Papaver: poppy
Papaver argemone: prickly poppy
Papaver dubium: long-headed poppy
Papaver hybridum: rough poppy
Papaver rhoeas: common poppy
Papaver rhoeas: corn poppy
Papaver somniferum: maw seed
Papaver somniferum: opium poppy
Papaveraceae: poppy family
Paradisea liliastrum: St Bruno's lily
Parapholis: hard-grass
Parapholis incurva: curved hard-grass
Parapholis strigosa: hard-grass
Parentucellia viscosa: yellow bartsia
Parietaria diffusa: pellitory-of-the wall
Paris quadrifolia: herb Paris
Parnassia palustris: grass-of-Parnassus
Paspalum: finger-grass
Paspalum dilatatum: dallisgrass
Paspalum paspalodes: water finger-grass
Paspalum vaginatum: knotgrass
Pastinaca sativa: parsnip
Pedicularis: lousewort
Pentaglottis sempervirens: green alkanet
Petasites: butterbur
Petasites albus: white butterbur
Petasites fragans: winter heliotrope
Petasites hybridus: butterbur
Petrorhagia: pink
Petrorhagia nanteuillii: childing pink
Petrorhagia prolifera: proliferous pink
Petrorhagia saxifraga: tunic-flower
Petroselinum: parsley
Petroselinum crispum: garden parsley
Petroselinum crispum: Hamburg parsley
Petroselinum crispum: italian parsley
Petroselinum crispum: turnip-rooted parsley
Petroselinum segetum: corn parsley
Peucedanum: hog's fennel
Peucedanum officinale: hog's fennel
Peucedanum ostruthium: masterwort
Phalaris: canary-grass
Phalaris: phalaris
Phalaris aquatica: bulbous canary-grass
Phalaris aquatica: tuberous canary-grass
Phalaris arundinacea: reed canary-grass
Phalaris arundinacea: ribbon grass
Phalaris brachystachys: confused canary-grass
Phalaris brachystachys: short-spiked canary-grass
Phalaris canariensis: annual canary-grass
Phalaris canariensis: birdseed grass
Phalaris canariensis: canary-grass
Phalaris coerulescens: sunolgrass
Phalaris minor: lesser canary-grass
Phalaris minor: littleseed canary-grass
Phalaris paradoxa: awned canary-grass
Phalaris paradoxa: bristle-spiked canary-grass
Phalaris paradoxa: hood canary-grass
Phaseolus: bean
Phleum: cat's-tail
Phleum alpinum: alpine cat's-tail
Phleum alpinum: alpine timothy
Phleum arenarium: sand cat's-tail
Phleum nodosum: smaller cat's-tail
Phleum phleoides: purple-stem cat's-tail
Phleum pratense: herdgrass
Phleum pratense: timothy
Phleum pratense: timothygrass
Phlomis: sage
Phlomis fruticosa: Jerusalem sage
Phragmites australis: common reed
Phragmites australis: durma mats
Phragmites australis: nal
Phyllitis scolopendrium: hart's-tongue
Phyllodoce caerulea: blue heath
Physalis: ground cherry
Physalis: japanese-lantern
Physalis alkekengi: japanese-lantern
Physalis peruviana: cape-gooseberry
Phyteuma: horned rampion
Phyteuma: rampion
Phyteuma orbiculare: round-headed rampion
Phyteuma spicatum: spiked rampion
Picris: oxtongue

- Picris echinoides:** bristly oxtongue
Picris hieracioides: hawkweed oxtongue
Pilularia globulifera: pillwort
Pimpinella: burnet-saxifrage
Pimpinella anisum: anise
Pimpinella major: greater burnet-saxifrage
Pimpinella saxifraga: burnet-saxifrage
Pinguicula: butterwort
Pinguicula alpina: alpine butterwort
Pinguicula grandiflora: large-flowered butterwort
Pinguicula vulgaris: bog violet
Pinguicula vulgaris: common butterwort
Piptatherum: mountain rice
Piptatherum miliaceum: bamboo grass
Piptatherum miliaceum: rice millet
Piptatherum miliaceum: smilo-grass
Pistacia lentiscus: mastic
Pisum: pea
Pisum sativum: common pea
Pisum sativum: field pea
Pisum sativum: winter pea
Pittosporaceae: pittosporum family
Pittosporum: pittosporum
Pittosporum tobira: cheesewood
Plantaginaceae: plantain family
Plantago: plantain
Plantago afra: glandular plantain
Plantago afra: psyllium
Plantago arenaria: branched plantain
Plantago coronopus: buck's-horn plantain
Plantago lanceolata: ribwort plantain
Plantago major: common plantain
Plantago major: greater plantain
Plantago maritima: sea plantain
Plantago media: hoary plantain
Platanthera: butterfly-orchid
Platanthera bifolia: lesser butterfly-orchid
Platanthera chlorantha: greater butterfly-orchid
Plumbaginaceae: thrift family
Poa: bluegrass
Poa: meadow-grass
Poa alpina: alpine meadow-grass
Poa angustifolia: narrow-leaved meadow-grass
Poa annua: annual bluegrass
Poa annua: annual meadow-grass
Poa annua: wintergrass
Poa bulbosa: bulbous bluegrass
Poa bulbosa: bulbous meadow-grass
Poa bulbosa: winter bluegrass
Poa compressa: Canada bluegrass
Poa compressa: flattened meadow-grass
Poa chaixii: broad-leaved meadow-grass
Poa infirma: early meadow-grass
Poa nemoralis: wood meadow-grass
Poa pratensis: Kentucky bluegrass
Poa pratensis: smooth meadow-grass
Poa pratensis: smooth-stalked meadow-grass
Poa trivialis: rough bluegrass
Poa trivialis: rough meadow-grass
Poa trivialis: rough stalked bluegrass
Poaceae: grass family
Polemoniaceae: Jacob's-ladder family
Polemonium: moss pink
Polemonium caeruleum: Jacob's-ladder
Polycarpon tetraphyllum: four-leaved allseed
Polygala: milkwort
Polygala calcarea: chalk milkwort
Polygala serpyllifolia: heath milkwort
Polygala vulgaris: common milkwort
Polygala vulgaris: gang-flower
Polygalaceae: milkwort family
Polygonaceae: knotweed family
Polygonatum: Solomon's-seal
Polygonatum multiflorum: Solomon's-seal
Polygonatum odoratum: garden Solomon's-seal
Polygonatum verticillatum: whorled Solomon's-seal
Polygonum: bistort
Polygonum: knotgrass
Polygonum: knotweed
Polygonum alpinum: alpine knotweed
Polygonum amphibium: amphibious bistort
Polygonum arenastrum: equal-leaved knotgrass
Polygonum aviculare: knotgrass
Polygonum bistorta: common bistort
Polygonum hidropiper: water-pepper

- Polygonum lapathifolium:** pale persicaria
Polygonum maritimum: sea knotgrass
Polygonum minus: small water-pepper
Polygonum mite: tasteless water-pepper
Polygonum patulum: red-knotgrass
Polygonum persicaria: redleg
Polygonum persicaria: redshank
Polygonum rurivagum: cornfield knotgrass
Polygonum viviparum: alpine bistort
Polypodiaceae: polypody family
Polypodium: polypody
Polypodium australe: southern polypody
Polypodium interjectum: intermediate polypody
Polypodium vulgare: polypody
Polypogon: beard-grass
Polypogon monspeliensis: annual beard-grass
Polypogon monspeliensis: rabbitfootgrass
Polypogon viridis: water bentgrass
Polypogon viridis: waterbent
Polystichum: shield-fern
Polystichum aculeatum: hard shield-fern
Polystichum lonchitis: holly-fern
Polystichum setiferum: soft shield-fern
Portulaca oleracea: common purslane
Portulacaceae: blinks family
Potentilla: cinquefoil
Potentilla anglica: trailing tormentil
Potentilla anserina: silver weed
Potentilla argentea: hoary cinquefoil
Potentilla crantzii: alpine cinquefoil
Potentilla erecta: tormentil
Potentilla fruticosa: shrubby cinquefoil
Potentilla inclinata: grey cinquefoil
Potentilla palustris: marsh cinquefoil
Potentilla recta: sulphur cinquefoil
Potentilla reptans: creeping cinquefoil
Potentilla rupestris: rock cinquefoil
Potentilla sterilis: barren strawberry
Primula: primrose
Primula elatior: oxlip
Primula farinosa: bird's-eye primrose
Primula veris: cowslip
Primula veris: paigle
Primula veris: palsywort
Primula vulgaris: primrose
Primulaceae: primrose family
Prunella: selfheal
Prunella laciniata: cut-leaved selfheal
Prunella vulgaris: selfheal
Prunus: cherry
Prunus: greengage
Prunus laurocerasus: cherry laurel
Prunus lusitanica: Portugal laurel
Prunus mahaleb: St Lucie cherry
Prunus spinosa: blackthorn
Prunus spinosa: sloe
Pseudorchis albida: small-white orchid
Pteridaceae: ribbon fern family
Pteridium aquilinum: bracken
Pteridium aquilinum: brake
Pteridium aquilinum: eagle fern
Pteridium aquilinum: hog brake
Pteridium aquilinum: warabi
Pteris cretica: ribbon fern
Puccinellia: alkaligrass
Puccinellia: salt meadow grass
Puccinellia: saltmarsh-grass
Puccinellia distans: reflexed saltmarsh-grass
Puccinellia fasciculata: borer's saltmarsh-grass
Puccinellia maritima: common saltmarsh-grass
Puccinellia rupestris: stiff saltmarsh-grass
Pulicaria: fleabane
Pulicaria dysenterica: common fleabane
Pulicaria vulgaris: small fleabane
Pulmonaria: lungwort
Pulmonaria longifolia: narrow-leaved lungwort
Pulsatilla vulgaris: pasqueflower
Pyracantha coccinea: firethorn
Pyrola: wintergreen
Pyrola minor: common wintergreen
Pyrola rotundifolia: round-leaved wintergreen
Pyrolaceae: wintergreen family
Radiola linoides: allseed
Ramonda myconi: pyrenean-violet
Ranunculaceae: buttercup family
Ranunculus: buttercup

Ranunculus: crowfoot

Ranunculus: paigle

Ranunculus: spearwort

Ranunculus aconitifolius: aconite-leaved
buttercup

Ranunculus aconitifolius: fair maids of France

Ranunculus aconitifolius: fair maids of Kent

Ranunculus acris: meadow buttercup

Ranunculus aquatilis: common water-crowfoot

Ranunculus arvensis: corn buttercup

Ranunculus auricomus: goldilocks buttercup

Ranunculus baudotii: brackish water-crowfoot

Ranunculus bulbosus: bulbous buttercup

Ranunculus ficaria: lesser celandine

Ranunculus flammula: lesser spearwort

Ranunculus fluitans: river water-crowfoot

Ranunculus hederaceus: ivy-leaved crowfoot

Ranunculus lingua: greater spearwort

Ranunculus muricatus: rough-fruited buttercup

Ranunculus omiophyllus: round-leaved crowfoot

Ranunculus ophioglossifolius: adder's-tongue
spearwort

Ranunculus paludosus: Jersey buttercup

Ranunculus parviflorus: small-flowered
buttercup

Ranunculus peltatus: pond water-crowfoot

Ranunculus repens: creeping buttercup

Ranunculus sardous: hairy buttercup

Ranunculus sceleratus: celery-leaved buttercup

Ranunculus trichophyllus: thread-leaved water-
crowfoot

Ranunculus tripartitus: three-lobed crowfoot

Raphanus: radish

Raphanus raphanistrum: wild radish

Raphanus sativus: garden radish

Rapistrum rugosum: bastard cabbage

Reseda: mignonette

Reseda alba: white mignonette

Reseda lutea: wild mignonette

Reseda luteola: dyer's rocket

Reseda luteola: weld

Reseda odorata: garden mignonette

Reseda phyteuma: corn mignonette

Resedaceae: mignonette family

Rhamnaceae: buckthorn family

Rhamnus: buckthorn

Rhamnus alaternus: mediterranean buckthorn

Rhamnus cathartica: buckthorn

Rhamnus cathartica: european buckthorn

Rhamnus cathartica: purging buckthorn

Rhamnus cathartica: sapgreen

Rhamnus saxatilis: yellow berry

Rhinanthus: yellow-rattle

Rhinanthus angustifolius: greater yellow-rattle

Rhinanthus minor: hayrattle

Rhinanthus minor: yellow-rattle

Rhodiola rosea: roseroot

Rhododendron: azalea

Rhododendron: rhododendron

Rhododendron ferrugineum: alpine rose

Rhynchospora: beak-rush

Rhynchospora: beak-sedge

Rhynchospora alba: white beak-sedge

Rhynchospora fusca: brown beak-sedge

Ribes: gooseberry

Ribes alpinum: mountain currant

Ribes rubrum: garnet berry

Ribes rubrum: red currant

Ribes uva-crispa: feaberry

Ribes uva-crispa: gooseberry

Ridolfia segetum: false fennel

Romulea columnae: sand crocus

Roripa: water-cress

Roripa amphibia: great yellow-cress

Roripa islandica: northern yellow-cress

Roripa sylvestris: creeping yellow-cress

Rosa: rose

Rosa agrestis: small-leaved sweet-briar

Rosa arvensis: field rose

Rosa caesia: hairy dog-rose

Rosa canina: dog-rose

Rosa gallica: red rose

Rosa gallica: rose of Lancaster

Rosa glauca: red-leaved rose

Rosa micrantha: small-flowered sweet-briar

Rosa moschata: musk rose

- Rosa pimpinellifolia:** burnet rose
Rosa rubiginosa: eglantine
Rosa rubiginosa: sweet-briar
Rosa stylosa: short-styled field-rose
Rosa tomentosa: harsh downy-rose
Rosaceae: rose family
Rosmarinus officinalis: rosemary
Rubia: wild madder
Rubia peregrina: wild madder
Rubia tinctorum: alizarin
Rubia tinctorum: madder
Rubiaceae: bedstraw family
Rubus: blackberry bush
Rubus: bramble
Rubus caesius: dewberry
Rubus idaeus: raspberry
Rubus saxatilis: stone bramble
Rumex: dock
Rumex: sorrel
Rumex acetosa: common sorrel
Rumex acetosella: sheep's sorrel
Rumex conglomeratus: clustered dock
Rumex crispus: curled dock
Rumex crispus: curly dock
Rumex hidrolapathum: water dock
Rumex longifolius: northern dock
Rumex maritimus: golden dock
Rumex obtusifolius: broad-leaved dock
Rumex palustris: marsh dock
Rumex pulcher: fiddle dock
Rumex rupestris: shore dock
Rumex sanguineus: wood dock
Rumex scutatus: french sorrel
Ruscus: butcher's-broom
Ruscus aculeatus: butcher's-broom
Ruscus aculeatus: pettigree
Ruscus aculeatus: pettigree
Ruscus hypoglossum: spineless butcher's-broom
Ruta graveolens: herb-of-Grace
Ruta graveolens: rue
Sagina: pearlwort
Sagina apelata: annual pearlwort
Sagina maritima: sea pearlwort
Sagina nodosa: knotted pearlwort
Sagina procumbens: procumbent pearlwort
Sagina saginoides: alpine pearlwort
Salicornia: glasswort
Salicornia: marsh samphire
Salicornia europaea: common glasswort
Salicornia europaea: chicken claws
Salpichroa organifolia: cock's-eggs
Salsola: glasswort
Salsola: saltwort
Salsola kali: russian thistle
Salsola kali: saltwort
Salvia: clary
Salvia glutinosa: sticky clary
Salvia lavandulifolia: chia seeds
Salvia officinalis: sage
Salvia pratensis: meadow clary
Salvia sclarea: clary
Salvia verbenaca: wild clary
Salvia verticillata: whorled clary
Salvia viridis: annual clary
Salvia viridis: bluebell
Sambucus: elder
Sambucus ebulus: danewort
Sambucus ebulus: dwarf elder
Sambucus nigra: elder
Sambucus racemosa: red-berried elder
Samolus valerandi: brookweed
Sanguisorba: burnet
Sanguisorba minor: fodder burnet
Sanguisorba minor: salad burnet
Sanguisorba officinalis: great burnet
Sanicula europaea: sanicle
Santalaceae: bastard-toadflax family
Santolina: holy flax
Santolina chamaecyparissus: lavender-cotton
Saponaria: soapwort
Saponaria ocymoides: rock soapwort
Saponaria officinalis: bouncing Bet
Saponaria officinalis: fuller's herb
Saponaria officinalis: soapwort
Satureja hortensis: summer savory
Satureja montana: winter savory

- Saussurea alpina**: alpine saw-wort
Saxifraga: rock foil
Saxifraga: saxifrage
Saxifraga aizoides: yellow saxifrage
Saxifraga continentalis: mossy saxifrage
Saxifraga granulata: meadow saxifrage
Saxifraga hirsuta: kidney saxifrage
Saxifraga oppositifolia: purple saxifrage
Saxifraga rotundifolia: round-leaved saxifrage
Saxifraga spathularis: St Patrick's-cabbage
Saxifraga stellaris: starry saxifrage
Saxifraga tridactylites: rue-leaved saxifrage
Saxifraga umbrosa: pyrenean saxifrage
Saxifragaceae: saxifrage family
Scabiosa: scabious
Scabiosa atropurpurea: sweet scabious
Scabiosa columbaria: small scabious
Scandix pecten-veneris: lady's comb
Scandix pecten-veneris: shepherd's-needle
Scandix pecten-veneris: Venus's comb
Scilla: squill
Scilla autumnalis: autumn squill
Scilla bifolia: alpine squill
Scilla lilio-hyacinthus: pyrenean squill
Scilla peruviana: portuguese squill
Scilla verna: spring squill
Scirpus: club-rush
Scirpus cernuus: optical fibre plant
Scirpus cernuus: slender club-rush
Scirpus cespitosus: deergrass
Scirpus fluitans: floating club-rush
Scirpus holoschoenus: round-headed club-rush
Scirpus hudsonianus: cotton deergrass
Scirpus lacustris: common club-rush
Scirpus maritimus: sea club-rush
Scirpus pungens: sharp club-rush
Scirpus setaceus: club-rush
Scirpus sylvaticus: wood club-rush
Scirpus triquetus: triangular club-rush
Scleranthus: knawel
Scleranthus annuus: annual knawel
Scleranthus perennis: perennial knawel
Scolymus hispanicus: golden thistle
Scolymus hispanicus: spanish oyster plant
Scorpiurus muricatus: caterpillar-plant
Scorzonera humilis: viper's-grass
Scrophularia: figwort
Scrophularia auriculata: water figwort
Scrophularia canina: french figwort
Scrophularia nodosa: common figwort
Scrophularia scorodonia: balm-leaved figwort
Scrophularia vernalis: yellow figwort
Scrophulariaceae: figwort family
Scutellaria: helmet flower
Scutellaria: skullcap
Scutellaria galericulata: skullcap
Scutellaria hastifolia: Norfolk skullcap
Scutellaria minor: lesser skullcap
Schismus barbatus: kelch-grass
Schkuhria pinnata: dwarf marigold
Schoenus: bog-rush
Schoenus nigricans: black bog-rush
Secale cereale: cereal rye
Secale cereale: rye
Sedum: live long
Sedum: stonecrop
Sedum acre: biting stonecrop
Sedum acre: wall pepper
Sedum album: white stonecrop
Sedum anacampseros: love-restoring stonecrop
Sedum anglicum: english stonecrop
Sedum dasyphyllum: thick-leaved stonecrop
Sedum forsteranum: rock stonecrop
Sedum reflexum: reflexed stonecrop
Sedum sediforme: pale stonecrop
Sedum spurium: caucasian stonecrop
Sedum telephium: live forever
Sedum telephium: orpine
Sedum villosum: hairy stonecrop
Selaginella: lesser clubmoss
Selaginella kraussiana: Kraus's clubmoss
Selaginella selaginoides: lesser clubmoss
Selaginellaceae: lesser clubmoss family
Selinum carvifolia: Cambridge milk-parsley
Sempervivum tectorum: house-leek
Senecio: ragwort

- Senecio aquaticus:** marsh ragwort
Senecio bicolor: silver ragwort
Senecio doria: golden ragwort
Senecio doronicum: chamois ragwort
Senecio elegans: jacobaea
Senecio jacobaea: common ragwort
Senecio lopezii: purple ragwort
Senecio paludosus: fen ragwort
Senecio sylvaticus: heath groundsel
Senecio viscosus: sticky groundsel
Senecio vulgaris: groundsel
Serratula tinctoria: saw-wort
Seseli: moon carrot
Sesleria albicans: blue moor-grass
Setaria: bristle-grass
Setaria italica: foxtail bristle-grass
Setaria italica: foxtail millet
Setaria italica: german millet
Setaria italica: hungarian millet
Setaria italica: italian millet
Setaria pumila: cat's-tail millet
Setaria pumila: pigeon grass
Setaria pumila: yellow bristle-grass
Setaria pumila: yellow foxtail grass
Setaria verticillata: rough bristle-grass
Setaria viridis: green bristle-grass
Setaria viridis: green foxtail grass
Sherardia arvensis: field madder
Sibbaldia procumbens: sibbaldia
Sibthorpia europaea: Cornish moneywort
Silaum silaus: pepper-saxifrage
Silene: campion
Silene: catchfly
Silene acaulis: moss campion
Silene armeria: sweet-William catchfly
Silene coeli-rosa: rose-of-heaven
Silene conica: sand catchfly
Silene dioica: red campion
Silene gallica: small-flowered catchfly
Silene italica: italian catchfly
Silene noctiflora: night-flowering catchfly
Silene nutans: Nottingham catchfly
Silene otites: spanish catchfly
Silene vulgaris: bladder campion
Silene vulgaris: sea campion
Silene vulgaris: white campion
Silene vulgaris: white cockle
Silybum marianum: holy thistle
Silybum marianum: kengued seed
Silybum marianum: milk thistle
Simethis planifolia: kerry lily
Sinapis: mustard
Sinapis alba: white mustard
Sinapis arvensis: charlock
Sison amomum: stone parsley
Sisymbrium: rocket
Sisymbrium erysimoides: french rocket
Sisymbrium irio: London-rocket
Sisymbrium loeselii: false London-rocket
Sisymbrium officinale: hedge mustard
Sisymbrium orientale: eastern rocket
Sisymbrium strictissimum: perennial rocket
Sisyrinchium bermudiana: blue-eyed-grass
Sium: water-parsnip
Sium latifolium: greater water-parsnip
Smilax: catbrier
Smilax: green briar
Smyrnum: alexanders
Smyrnum olusatrum: alexanders
Smyrnum perfoliatum: perfoliate alexanders
Solanaceae: nightshade family
Solanum: nightshade
Solanum dulcamara: bittersweet
Solanum nigrum: black nightshade
Solanum nigrum: wonderberry
Soleirolia soleirolii: mind-your-own-bussines
Soleirolia soleirolii: mother-of-thousands
Solidago: goldenrod
Solidago canadensis: canadian goldenrod
Solidago gigantea: early goldenrod
Solidago virgaurea: goldenrod
Sonchus: milk thistle
Sonchus: sow-thistle
Sonchus arvensis: perennial sow-thistle
Sonchus asper: prickly sow-thistle
Sonchus oleraceus: smooth sow-thistle

Sorghum: broomcorn
Sorghum: millet
Sorghum: sorghum
Sorghum bicolor: broomcorn
Sorghum bicolor: dari
Sorghum bicolor: durra
Sorghum bicolor: great millet
Sorghum bicolor: jowar
Sorghum bicolor: milo
Sorghum bicolor: sorghum
Sorghum halepense: Johnson-grass
Sorghum sudanense: Sudan-grass
Sparganium: bur-reed
Sparganium angustifolium: floating bur-reed
Sparganium emersum: unbranched bur-reed
Sparganium erectum: branched bur-reed
Sparganium minimum: least bur-reed
Spartina: cord-grass
Spartina: marsh grass
Spartina: rice grass
Spartina alterniflora: smooth cord-grass
Spartina maritima: small cord-grass
Spartium junceum: spanish broom
Spargula: spurrey
Spargula arvensis: corn spurrey
Spargula morisonii: pearlwort spurrey
Spargularia: sand-spurrey
Spargularia: sea-spurrey
Spargularia bocconii: greek sea-spurrey
Spargularia marina: lesser sea-spurrey
Spargularia media: greater sea-spurrey
Spargularia rubra: sand-spurrey
Spargularia rupicola: rock sea-spurrey
Spiraea: bridewort
Spiranthes: lady's-tresses
Spiranthes aestivalis: summer lady's-tresses
Spiranthes spiralis: autumn lady's-tresses
Sporobolus: dropseed
Sporobolus: rush grass
Sporobolus: sacaton
Sporobolus indicus: dropseed
Sporobolus indicus: smutgrass
Stachys: hedge nettle

Stachys: woundwort
Stachys alpina: limestone woundwort
Stachys annua: annual yellow-woundwort
Stachys arvensis: field woundwort
Stachys germanica: downy woundwort
Stachys officinalis: betony
Stachys palustris: allheal
Stachys palustris: marsh betony
Stachys palustris: marsh woundwort
Stachys recta: perennial yellow-woundwort
Stachys sylvatica: hedge woundwort
Stellaria: chickweed
Stellaria: starwort
Stellaria: stitchwort
Stellaria alsine: bog stitchwort
Stellaria graminea: lesser stitchwort
Stellaria holostea: greater stitchwort
Stellaria media: common chickweed
Stellaria media: common stitchwort
Stellaria neglecta: greater chickweed
Stellaria nemorum: wood stitchwort
Stellaria palustris: marsh stitchwort
Stellaria pallida: lesser chickweed
Sternbergia lutea: winter daffodil
Stipa: feather grass
Stipa: needle-grass
Stipa: wintergrass
Stipa capensis: mediterranean needle-grass
Stipa pennata: european feather grass
Stipa tenacissima: alfa
Stipa tenacissima: algerian grass
Stipa tenacissima: esparto grass
Suaeda: sea-blite
Suaeda maritima: annual sea-blite
Suaeda maritima: sea-blite
Suaeda vera: shrubby sea-blite
Subularia aquatica: awlwort
Succisa pratensis: blue buttons
Succisa pratensis: devil's bit scabious
Swertia: chiretta
Symphoricarpos albus: snowberry
Symphytum officinale: comfrey
Tagetes minuta: southern marigold

- Tanacetum:** tansy
Tanacetum parthenium: feverfew
Tanacetum parthenium: golden feather
Tanacetum vulgare: tansy
Taraxacum: dandelion
Taraxacum officinale: dandelion
Teesdalia nudicaulis: shepherd's cress
Tetragonolobus maritimus: dragon's-teech
Teucrium: germander
Teucrium botrys: cut-leaved germander
Teucrium chamaedrys: wall germander
Teucrium scordium: water germander
Teucrium scorodonia: wood germander
Teucrium scorodonia: wood sage
Thalictrum: meadow-rue
Thalictrum alpinum: alpine meadow-rue
Thalictrum aquilegifolium: french meadow-rue
Thalictrum flavum: common meadow-rue
Thalictrum minus: lesser meadow-rue
Thelypteridaceae: marsh fern family
Thelypteris palustris: marsh fern
Thesium: bastard-toadflax
Thlaspi: penny-cress
Thlaspi alliaceum: garlic penny-cress
Thlaspi arvense: field penny-cress
Thlaspi arvense: Mithridate mustard
Thlaspi perfoliatum: perfoliate penny-cress
Thymelaea hirsuta: mitnan
Thymelaeaceae: mezereon family
Thymus: thyme
Thymus praecox: serpolet oil
Thymus praecox: wild thyme
Thymus pulegioides: large thyme
Thymus serpyllum: breckland thyme
Thymus vulgaris: thyme
Tofieldia: asphodel
Tordylium maximum: hartwort
Torilis: hedge-parsley
Torilis arvensis: spreading hedge-parsley
Torilis japonica: upright hedge-parsley
Torilis nodosa: knolted hedge-parsley
Trachelium caeruleum: throatwort
Tradescantia fluminensis: wandering-Jew
Tragopogon: goat's-beard
Tragopogon hybridus: slender salsify
Tragopogon porrifolius: mock oyster
Tragopogon porrifolius: oyster plant
Tragopogon porrifolius: salsify
Tragopogon porrifolius: vegetable oyster
Tragopogon pratensis: goat's-beard
Tragus racemosus: european bur-grass
Tragus racemosus: small bur-grass
Tragus racemosus: spike bur-grass
Tragus racemosus: stalked carrot seedgrass
Tribulus: burweed
Tribulus terrestris: caltrops
Trichomanes: bristle fern
Trichomanes speciosum: killarney fern
Trifolium: clover
Trifolium: trefoil
Trifolium alexandrinum: berseem clover
Trifolium alexandrinum: egyptian clover
Trifolium angustifolium: narrow clover
Trifolium arvense: hare's-foot clover
Trifolium arvense: rabbitfoot clover
Trifolium aureum: hop clover
Trifolium aureum: large trefoil
Trifolium bocconeii: twin-headed clover
Trifolium campestre: hop trefoil
Trifolium campestre: large hop clover
Trifolium cernuum: nodding clover
Trifolium dubium: lesser trefoil
Trifolium dubium: small hop clover
Trifolium fragiferum: strawberry clover
Trifolium glomeratum: cluster clover
Trifolium hirtum: rose clover
Trifolium hybridum: alsike clover
Trifolium hybridum: swedish clover
Trifolium incarnatum: crimson clover
Trifolium incarnatum: italian clover
Trifolium lappaceum: bur clover
Trifolium lappaceum: lappa clover
Trifolium medium: zigzag clover
Trifolium micrantum: slender trefoil
Trifolium michelianum: bigflower clover
Trifolium nigrescens: ball clover

- Trifolium occidentale:** western clover
Trifolium ochroleucon: sulphur clover
Trifolium ornithopodioides: bird's-foot clover
Trifolium pratense: purple clover
Trifolium pratense: red clover
Trifolium repens: dutch clover
Trifolium repens: white clover
Trifolium resupinatum: persian clover
Trifolium resupinatum: reversed clover
Trifolium squamosum: sea clover
Trifolium stellatum: starry clover
Trifolium striatum: knotted clover
Trifolium striatum: striate clover
Trifolium strictum: upright clover
Trifolium subterraneum: subterranean clover
Trifolium suffocatum: suffocated clover
Trifolium tomentosum: cotton clover
Trifolium tomentosum: woolly clover
Triglochin: arrowgrass
Triglochin maritimum: sea arrowgrass
Triglochin palustre: marsh arrowgrass
Trigonella: fenugreek
Trigonella corniculata: sickle-fruited fenugreek
Trigonella foenum-graecum: fenugreek
Trinia glauca: honewort
Trisetum: hair-grass
Trisetum flavescens: yellow oat-grass
Trisetum flavescens: yellow trisetum
Triticum: wheat
Triticum aestivum: bread wheat
Triticum aestivum: spelt-wheat
Triticum aestivum: spring wheat
Triticum aestivum: wheat
Triticum durum: durum
Triticum durum: emmer
Triticum monococcum: einkorn
Triticum turgidum: rivet wheat
Trollius europaeus: globeflower
Tropaeolaceae: nasturtium family
Tropaeolum majus: indian cress
Tropaeolum majus: nasturtium
Tuberaria guttata: spotted rock-rose
Tulipa: tulip
Tulipa gesneriana: garden tulip
Tulipa sylvestris: wild tulip
Tussilago farfara: colt's-foot
Typha: bulrush
Typha: reed mace
Typha angustifolia: lesser bulrush
Typha latifolia: bulrush
Typhaceae: bulrush family
Ulex: furze
Ulex: gorse
Ulex europaeus: gorse
Ulex europaeus: whin
Ulex gallii: western gorse
Ulex minor: dwarf gorse
Ulex parviflorus: thorny gorse
Umbilicus rupestris: navelwort
Umbilicus rupestris: penny pies
Umbilicus rupestris: pennywort
Umbilicus rupestris: wall pennywort
Urtica: nettle
Urtica dioica: common nettle
Urtica pilulifera: roman nettle
Urtica urens: dog nettle
Urtica urens: small nettle
Urticaceae: nettle family
Vaccaria pyramidata: cowherb
Vaccinium: bilberry
Vaccinium: blueberry
Vaccinium: bluet
Vaccinium: buckberry
Vaccinium: cranberry
Vaccinium: huckleberry
Vaccinium myrtillus: bilberry
Vaccinium myrtillus: blaeberry
Vaccinium myrtillus: deciduous bilberry
Vaccinium myrtillus: whortleberry
Vaccinium uliginosum: bog bilberry
Vaccinium vitis-idaea: evergreen lingonberry
Vaccinium vitis-idaea: foxberry
Vaccinium vitis-idaea: cowberry
Valeriana: valerian
Valeriana dioica: marsh valerian
Valeriana officinalis: allheal

Valeriana officinalis: common valerian
Valeriana pyrenaica: pyrenean valerian
Valerianaceae: valerian family
Valerianella: cornsalad
Valerianella carinata: keeled-fruited cornsalad
Valerianella dentata: narrow-fruited cornsalad
Valerianella eriocarpa: hairy-fruited cornsalad
Valerianella locusta: common cornsalad
Valerianella locusta: lamb's lettuce
Valerianella rimosa: broad-fruited cornsalad
Veratrum album: white hellebore
Verbascum: mullein
Verbascum blattaria: moth mullein
Verbascum chaixii: nettle-leaved mullein
Verbascum densiflorum: dense-flowered mullein
Verbascum lychnitis: white mullein
Verbascum nigrum: black mullein
Verbascum nigrum: dark mullein
Verbascum phlomoides: orange mullein
Verbascum pulverulentum: hoary mullein
Verbascum thapsus: common mullein
Verbascum thapsus: great mullein
Verbascum thapsus: hag-taper
Verbascum virgatum: twiggy mullein
Verbena officinalis: Juno's tears
Verbena officinalis: vervain
Verbenaceae: vervain family
Veronica: bird's eye
Veronica: speedwell
Veronica acinifolia: french speedwell
Veronica agrestis: green field-speedwell
Veronica alpina: alpine speedwell
Veronica anagallis-aquatica: blue water-speedwell
Veronica arvensis: corn speedwell
Veronica arvensis: wall speedwell
Veronica austriaca: large speedwell
Veronica beccabunga: brooklime
Veronica catenata: pink water-speedwell
Veronica cymbalaria: pale speedwell
Veronica chamaedrys: germander speedwell
Veronica fruticans: rock speedwell
Veronica hederifolia: ivy-leaved speedwell

Veronica montana: wood speedwell
Veronica officinalis: heath speedwell
Veronica peregrina: american speedwell
Veronica persica: common field-speedwell
Veronica polita: grey field-speedwell
Veronica praecox: Breckland speedwell
Veronica scutellata: marsh speedwell
Veronica serpyllifolia: thyme-leaved speedwell
Veronica spicata: spiked speedwell
Veronica triphyllos: fingered speedwell
Veronica verna: spring speedwell
Viburnum: viburnum
Viburnum lantana: twistwood
Viburnum lantana: wayfaring-tree
Viburnum opulus: cramp bark
Viburnum opulus: guelder-rose
Viburnum opulus: snowball-tree
Viburnum tinus: laurustinus
Vicia: bean
Vicia: vetch
Vicia angustifolia: narrowleaf vetch
Vicia articulata: single-flowered vetch
Vicia benghalensis: purple vetch
Vicia bithynica: bithynian vetch
Vicia cracca: bird vetch
Vicia cracca: tufted vetch
Vicia ervilia: bitter vetch
Vicia faba: broadbean
Vicia faba: field bean
Vicia faba: horsebean
Vicia faba: wheat-faba bean
Vicia hirsuta: hairy tare
Vicia lathyroides: spring vetch
Vicia lutea: yellow-vetch
Vicia monantha: bard vetch
Vicia narbonensis: Narbonne vetch
Vicia orobus: wood bitter-vetch
Vicia pannonica: hungarian vetch
Vicia sativa: common vetch
Vicia sativa: tare
Vicia sepium: bush vetch
Vicia sylvatica: wood vetch
Vicia tenuifolia: fine-leaved vetch

Vicia tetrasperma: smooth tare

Vicia villosa: fodder vetch

Vicia villosa: hairy vetch

Vicia villosa: russian vetch

Vicia villosa: winter vetch

Vinca: periwinkle

Vinca difformis: intermediate periwinkle

Vinca major: greater periwinkle

Vinca minor: lesser periwinkle

Viola: pansy

Viola: violet

Viola arvensis: field pansy

Viola canina: heath dog violet

Viola cornuta: horned pansy

Viola hirta: hairy violet

Viola kitaibeliana: dwarf pansy

Viola lactea: pale dog-violet

Viola lutea: mountain pansy

Viola odorata: sweet violet

Viola palustris: bog violet

Viola palustris: marsh violet

Viola persicifolia: fen violet

Viola reichenbachiana: early dog-violet

Viola riviniana: common dog-violet

Viola rupestris: Teesdale violet

Viola tricolor: heart's ease

Viola tricolor: love-in-idleness

Viola tricolor: wild pansy

Violaceae: violet family

Vulpia: fescue

Vulpia bromoides: barren fescue

Vulpia bromoides: squirreltail fescue

Vulpia ciliata: bearded fescue

Vulpia fasciculata: dune fescue

Vulpia myuros: rat's-tail fescue

Vulpia myuros: rattail fescue

Vulpia myuros: silvergrass

Vulpia myuros: six weeks grass

Vulpia unilateralis: mat-grass fescue

Wahlenbergia hederacea: ivy-leaved bellflower

Woodsia alpina: alpine woodsia

Xanthium: cocklebur

Xanthium: Noogoora bur

Xanthium spinosum: clotbur

Xanthium spinosum: spiny cocklebur

Xanthium strumarium: rough cocklebur

Zea mays: corn

Zea mays: hominy

Zea mays: maize

Zea mays: mealies

Zea mays: sweet corn

NOMBRES VULGARES EN INGLÉS - NOMBRES CIENTÍFICOS

COMMON NAMES - SCIENTIFIC NAMES

absinthe: <i>Artemisia absinthium</i>	alpine gentian: <i>Gentiana nivalis</i>
aconite-leaved buttercup: <i>Ranunculus aconitifolius</i>	alpine knotweed: <i>Polygonum alpinum</i>
adder's-tongue: <i>Ophioglossum</i>	alpine lady-fern: <i>Athyrium distentifolium</i>
adder's-tongue: <i>Ophioglossum vulgatum</i>	alpine lady's-mantle: <i>Alchemilla alpina</i>
adder's-tongue family: <i>Ophioglossaceae</i>	alpine meadow-grass: <i>Poa alpina</i>
adder's-tongue spearwort: <i>Ranunculus ophioglossifolius</i>	alpine meadow-rue: <i>Thalictrum alpinum</i>
aeonium: <i>Aeonium arboreum</i>	alpine milk-vetch: <i>Astragalus alpinus</i>
agrimony: <i>Agrimonia</i>	alpine mouse-ear: <i>Cerastium alpinum</i>
agrimony: <i>Agrimonia eupatoria</i>	alpine pearlwort: <i>Sagina saginoides</i>
ague weed: <i>Eupatorium cannabinum</i>	alpine rock-cress: <i>Arabis alpina</i>
alang-alang: <i>Imperata cylindrica</i>	alpine rose: <i>Rhododendron ferrugineum</i>
albardine: <i>Lygeum spartum</i>	alpine rush: <i>Juncus alpinus</i>
alder buckthorn: <i>Frangula alnus</i>	alpine saw-wort: <i>Saussurea alpina</i>
alehoof: <i>Glechoma hederacea</i>	alpine speedwell: <i>Veronica alpina</i>
alexanders: <i>Smyrniun</i>	alpine squill: <i>Scilla bifolia</i>
alexanders: <i>Smyrniun olusatrum</i>	alpine strawberry: <i>Fragaria vesca</i>
alfa: <i>Stipa tenacissima</i>	alpine timothy: <i>Phleum alpinum</i>
alfalfa: <i>Medicago sativa</i>	alpine willowherb: <i>Epilobium anagallidifolium</i>
algerian fibre: <i>Chamaerops humilis</i>	alpine woodsia: <i>Woodsia alpina</i>
algerian grass: <i>Stipa tenacissima</i>	alsike clover: <i>Trifolium hybridum</i>
alison: <i>Alyssum</i>	alternate-leaved golden-saxifrage: <i>Chrysosplenium alternifolium</i>
alizarin: <i>Rubia tinctorum</i>	allgood: <i>Chenopodium bonus-henricus</i>
alkaligrass: <i>Puccinellia</i>	allheal: <i>Stachys palustris</i>
alkanet: <i>Anchusa</i>	allheal: <i>Valeriana officinalis</i>
alkanet: <i>Anchusa officinalis</i>	allseed: <i>Radiola linoides</i>
alpine azalea: <i>Loiseleuria procumbens</i>	amaranth: <i>Amaranthus</i>
alpine bartsia: <i>Bartsia alpina</i>	american cudweed: <i>Gamochaeta purpurea</i>
alpine bistort: <i>Polygonum viviparum</i>	american speedwell: <i>Veronica peregrina</i>
alpine blue-sow-thistle: <i>Cicerbita alpina</i>	american winter-cress: <i>Barbarea verna</i>
alpine butterwort: <i>Pinguicula alpina</i>	american yard-grass: <i>Eleusine tristachya</i>
alpine campion: <i>Lychnis alpina</i>	amphibious bistort: <i>Polygonum amphibium</i>
alpine cat's-tail: <i>Phleum alpinum</i>	anemone: <i>Anemone</i>
alpine catchfly: <i>Lychnis alpina</i>	angel's-trumpets: <i>Datura ferox</i>
alpine cinquefoil: <i>Potentilla crantzii</i>	angelica: <i>Angelica</i>
alpine clubmoss: <i>Diphysium alpinum</i>	animated oat: <i>Avena sterilis</i>
alpine enchanter's-nighthshade: <i>Circaea alpina</i>	anise: <i>Pimpinella anisum</i>
alpine forget-me-not: <i>Myosotis alpestris</i>	annual beard-grass: <i>Polypogon monspeliensis</i>
	annual bluegrass: <i>Poa annua</i>

- annual bristle grass:** *Aristida adscensionis*
annual canary-grass: *Phalaris canariensis*
annual cat's-tail: *Lophochloa cristata*
annual clary: *Salvia viridis*
annual knawel: *Scleranthus annuus*
annual meadow-grass: *Poa annua*
annual mercury: *Mercurialis annua*
annual pearlwort: *Sagina apellata*
annual ryegrass: *Lolium multiflorum*
annual ryegrass: *Lolium rigidum*
annual scorpion-vetch: *Coronilla scorpioides*
annual sea-blite: *Suaeda maritima*
annual valerian: *Centranthus calcitrapae*
annual vernal-grass: *Anthoxanthum aristatum*
annual wall-rocket: *Diplotaxis muralis*
annual yellow sweetclover: *Melilotus indica*
annual yellow-woundwort: *Stachys annua*
apple-mint: *Mentha suaveolens*
apple-mint: *Mentha villosa*
arborescent heather: *Erica arborea*
argentine fleabane: *Conyza bonariensis*
argentine pepperwort: *Lepidium bonariense*
arrowgrass: *Triglochin*
arrowgrass family: *Juncaginaceae*
asarabacca: *Asarum europaeum*
ash family: *Oleaceae*
asparagus: *Asparagus*
aster: *Aster*
asphodel: *Tofieldia*
astrantia: *Astrantia major*
aubretia: *Aubrieta deltoidea*
autumn crocus: *Colchicum autumnale*
autumn crocus: *Crocus nudiflorus*
autumn hawkbit: *Leontodon autumnalis*
autumn lady's-tresses: *Spiranthes spiralis*
autumn snowflake: *Leucojum autumnale*
autumn squill: *Scilla autumnalis*
avens: *Geum*
awlwort: *Subularia aquatica*
awned canary-grass: *Phalaris paradoxa*
azalea: *Rhododendron*
azarole: *Crataegus azarolus*
baldmoney: *Meum athamanticum*
balm: *Melissa officinalis*
balm-leaved figwort: *Scrophularia scorodonia*
balsam: *Impatiens*
balsam family: *Balsaminaceae*
ball clover: *Trifolium nigrescens*
ball mustard: *Neslia paniculata*
bamboo grass: *Piptatherum miliaceum*
bamboo reed: *Arundo donax*
baneberry: *Actaea spicata*
barb goatgrass: *Aegilops triuncialis*
barb grass: *Hainardia cylindrica*
barberry: *Berberis*
barberry: *Berberis vulgaris*
barberry family: *Berberidaceae*
bard vetch: *Vicia monantha*
barley: *Hordeum*
barleygrass: *Hordeum leporinum*
barnyard grass: *Echinochloa crus-galli*
barrel medick: *Medicago truncatula*
barren brome: *Bromus sterilis*
barren fescue: *Vulpia bromoides*
barren strawberry: *Potentilla sterilis*
bartsia: *Odontites*
bastard alkanet: *Lithospermum arvense*
bastard balm: *Melittis melissophyllum*
bastard cabbage: *Rapistrum rugosum*
bastard senna: *Coronilla valentina*
bastard-toadflax: *Thesium*
bastard-toadflax family: *Santalaceae*
bath asparagus: *Ornithogalum pyrenaicum*
beachgrass: *Ammophila*
beachpea: *Lathyrus japonicus*
beak-rush: *Rhynchospora*
beak-sedge: *Rhynchospora*
beaked hawk's-beard: *Crepis vesicaria*
bean: *Phaseolus*
bean: *Vicia*
bean broomrape: *Orobancha crenata*
bear's foot: *Helleborus foetidus*
bear's-breech: *Acanthus mollis*
bear's-breech family: *Acanthaceae*
bearberry: *Arctostaphylos*
bearberry: *Arctostaphylos uva-ursi*

- beard-grass:** *Polypogon*
bearded couch: *Elymus caninus*
bearded fescue: *Vulpia ciliata*
bearded iris: *Iris germanica*
bearded oat: *Avena barbata*
bearded ryegrass: *Lolium temulentum*
bedstraw: *Galium*
bedstraw broomrape: *Orobanche caryophyllacea*
bedstraw family: *Rubiaceae*
bee orchid: *Ophrys apifera*
beet: *Beta vulgaris*
beggarticks: *Bidens frondosa*
beggarticks: *Bidens pilosa*
bell heather: *Erica cinerea*
belladonna: *Atropa belladonna*
bellflower: *Campanula*
bellflower family: *Campanulaceae*
bentgrass: *Agrostis*
bergamot mint: *Mentha piperita*
bermuda-buttercup: *Oxalis pes-caprae*
bermudagrass: *Cynodon dactylon*
berry catchfly: *Cucubalus baccifer*
berseem clover: *Trifolium alexandrinum*
betony: *Stachys officinalis*
bhaji: *Amaranthus*
big quaking-grass: *Briza maxima*
big trefoil: *Lotus pedunculatus*
bigflower clover: *Trifolium michelianum*
bilberry: *Vaccinium*
bilberry: *Vaccinium myrtillus*
bindweed: *Calystegia*
bindweed family: *Convolvulaceae*
bird-in-a-bush: *Corydalis solida*
bird vetch: *Vicia cracca*
bird's eye: *Veronica*
bird's-eye primrose: *Primula farinosa*
bird's-foot: *Ornithopus*
bird's-foot: *Ornithopus perpusillus*
bird's-foot clover: *Trifolium ornithopodioides*
bird's-foot sedge: *Carex ornithopoda*
bird's-foot-trefoil: *Lotus*
bird's-foot-trefoil: *Lotus corniculatus*
bird's-nest orchid: *Neottia nidus-avis*
birdseed grass: *Phalaris canariensis*
birthwort: *Aristolochia*
birthwort: *Aristolochia clematitis*
birthwort family: *Aristolochiaceae*
biserrula: *Biserrula pelecinus*
bistort: *Polygonum*
bithynian vetch: *Vicia bithynica*
biting stonecrop: *Sedum acre*
bitter-cress: *Cardamine*
bitter vetch: *Vicia ervilia*
bittersweet: *Solanum dulcamara*
black alpine-sedge: *Carex atrata*
black bearberry: *Arctostaphylos alpinus*
black bentgrass: *Agrostis gigantea*
black-bindweed: *Bilderdykia convolvulus*
black bog-rush: *Schoenus nigricans*
black-grass: *Alopecurus myosuroides*
black horehound: *Ballota nigra*
black-jack: *Bidens pilosa*
black medick: *Medicago lupulina*
black mullein: *Verbascum nigrum*
black mustard: *Brassica nigra*
black nightshade: *Solanum nigrum*
black oat: *Avena strigosa*
black pea: *Lathyrus niger*
black spleenwort: *Asplenium adiantum-nigrum*
black twitch: *Alopecurus myosuroides*
blackberry bush: *Rubus*
blackthorn: *Prunus spinosa*
bladder campion: *Silene vulgaris*
bladder-fern: *Cystopteris*
bladder ketmia: *Hibiscus trionum*
bladder-sedge: *Carex versicaria*
bladder-senna: *Colutea arborescens*
bladderwort family: *Lentibulariaceae*
bladygrass: *Imperata cylindrica*
blaeberry: *Vaccinium myrtillus*
blinks: *Montia fontana*
blinks family: *Portulacaceae*
blite: *Chenopodium bonus-henricus*
bloody crane's-bill: *Geranium sanguineum*
blue buttons: *Succisa pratensis*
blue-eyed-grass: *Sisyrinchium bermudiana*

- blue-eyed-Mary:** *Omphalodes*
blue flax: *Linum narbonense*
blue fleabane: *Erigeron acer*
blue heath: *Phyllodoce caerulea*
blue iris: *Iris spuria*
blue lupin: *Lupinus angustifolius*
blue moor-grass: *Sesleria albicans*
blue pimpernel: *Anagallis foemina*
blue pimpernel: *Anagallis monelli*
blue poppy: *Meconopsis*
blue-sow-thistle: *Cicerbita*
blue water-speedwell: *Veronica anagallis-aquatica*
blue woodruff: *Asperula arvensis*
bluebell: *Campanula rotundifolia*
bluebell: *Gladiolus*
bluebell: *Hyacinthoides*
bluebell: *Hyacinthoides non-scripta*
bluebell: *Salvia viridis*
blueberry: *Vaccinium*
bluebottle: *Centaurea*
bluegrass: *Festuca*
bluegrass: *Poa*
bluestem: *Andropogon*
bluet: *Vaccinium*
blunt-flowered rush: *Juncus subnodulosus*
bog asphodel: *Narthecium ossifragum*
bog bilberry: *Vaccinium uliginosum*
bog hair-grass: *Deschampsia setacea*
bog heather: *Erica tetralix*
bog pimpernel: *Anagallis tenella*
bog-rush: *Schoenus*
bog-sedge: *Carex limosa*
bog stitchwort: *Stellaria alsine*
bog violet: *Pinguicula vulgaris*
bog violet: *Viola palustris*
borage: *Borago officinalis*
borage family: *Boraginaceae*
borrer's saltmarsh-grass: *Puccinellia fasciculata*
bottle sedge: *Carex rostrata*
bouncing Bet: *Saponaria officinalis*
box: *Buxus sempervirens*
box family: *Buxaceae*
boxwood: *Buxus sempervirens*
bracken: *Pteridium aquilinum*
bracken family: *Hypolepidaceae*
brackish water-crowfoot: *Ranunculus baudotii*
brake: *Pteridium aquilinum*
bramble: *Rubus*
branched bur-reed: *Sparganium erectum*
branched horsetail: *Equisetum ramosissimum*
branched plantain: *Plantago arenaria*
bread-and-cheese: *Crataegus monogyna*
bread wheat: *Triticum aestivum*
Breckland speedwell: *Veronica praecox*
breckland thyme: *Thymus serpyllum*
briar root: *Erica arborea*
bridewort: *Spiraea*
bristle bentgrass: *Agrostis curtisii*
bristle fern: *Trichomanes*
bristle-grass: *Setaria*
bristle oat: *Avena strigosa*
bristle-spiked canary-grass: *Phalaris paradoxa*
bristly hawk's-beard: *Crepis setosa*
bristly ox-tongue: *Picris echioides*
Bristol rock-cress: *Arabis stricta*
brittle bladder-fern: *Cystopteris fragilis*
broad buckler-fern: *Dryopteris dilatata*
broad-fruited cornsalad: *Valerianella ramosa*
broad-leaved cottongrass: *Eriophorum latifolium*
broad-leaved cudweed: *Filago pyramidata*
broad-leaved dock: *Rumex obtusifolius*
broad-leaved everlasting-pea: *Lathyrus latifolius*
broad-leaved helleborine: *Epipactis helleborine*
broad-leaved hemp-nettle: *Galeopsis ladanum*
broad-leaved meadow-grass: *Poa chaixii*
broad-leaved onion: *Allium nigrum*
broad-leaved sea-lavender: *Limonium auriculata-ursifolium*
broad-leaved spurge: *Euphorbia platyphyllos*
broad-leaved willowherb: *Epilobium montanum*
broadbean: *Vicia faba*
brome: *Bromus*
bromegrass: *Bromus*
Brompton stock: *Matthiola incana*
bronchgrass: *Bromus rigidus*

- brooklime:** *Veronica beccabunga*
brookweed: *Samolus valerandi*
broom: *Cytisus*
broom: *Cytisus scoparius*
broom: *Genista*
broom millet: *Panicum miliaceum*
broomcorn: *Panicum miliaceum*
broomcorn: *Sorghum*
broomcorn: *Sorghum bicolor*
broomrape: *Orobancha*
broomrape family: *Orobanchaceae*
brown beak-sedge: *Rhynchospora fusca*
brown bentgrass: *Agrostis canina*
brown galingale: *Cyperus fuscus*
brown knapweed: *Centaurea jacea*
brown sedge: *Carex disticha*
browntop: *Agrostis capillaris*
browntop bentgrass: *Agrostis capillaris*
brunt-fruited water-starwort: *Callitriche obtusangula*
buck's-horn plantain: *Plantago coronopus*
buckberry: *Vaccinium*
buckler-fern: *Dryopteris*
buckler-fern family: *Dryopteridaceae*
buckthorn: *Rhamnus*
buckthorn: *Rhamnus cathartica*
buckthorn family: *Rhamnaceae*
buckwheat: *Fagopyrum esculentum*
bugle: *Ajuga*
bugle: *Ajuga reptans*
bugloss: *Anchusa arvensis*
buk's-beard: *Aruncus dioicus*
bulbous barley: *Hordeum bulbosum*
bulbous bluegrass: *Poa bulbosa*
bulbous buttercup: *Ranunculus bulbosus*
bulbous canary-grass: *Phalaris aquatica*
bulbous foxtail: *Alopecurus bulbosus*
bulbous meadow-grass: *Poa bulbosa*
bulbous oat-grass: *Arrhenatherum elatius* var. *bulbosum*
bulbous rush: *Juncus bulbosus*
bulrush: *Typha*
bulrush: *Typha latifolia*
bulrush family: *Typhaceae*
bull thistle: *Cirsium vulgare*
bullgrass: *Eleusine indica*
bullwort: *Ammi majus*
bunch-flowered daffodil: *Narcissus tazetta*
bur clover: *Trifolium lappaceum*
bur forget-me-not: *Lappula*
bur grass: *Cenchrus*
bur-marigold: *Bidens*
bur medick: *Medicago minima*
bur parsley: *Anthriscus caucalis*
bur parsley: *Caucalis*
bur-reed: *Sparganium*
burclover: *Medicago*
burdock: *Arctium*
burnet: *Sanguisorba*
burnet rose: *Rosa pimpinellifolia*
burnet-saxifrage: *Pimpinella*
burnet-saxifrage: *Pimpinella saxifraga*
burnt orchid: *Orchis ustulata*
burweed: *Tribulus*
bush vetch: *Vicia sepium*
butcher's-broom: *Ruscus*
butcher's-broom: *Ruscus aculeatus*
butter and eggs: *Linaria vulgaris*
butterbur: *Petasites*
butterbur: *Petasites hybridus*
buttercup: *Ranunculus*
buttercup family: *Ranunculaceae*
butterfly-orchid: *Platanthera*
butterwort: *Pinguicula*
buttonclover: *Medicago orbicularis*
buttonweed: *Cotula coronopifolia*
cabbage: *Brassica*
cabbage: *Brassica oleracea*
cabbage family: *Brassicaceae*
cabbage thistle: *Cirsium oleraceum*
calamint: *Calamintha*
calamus root: *Acorus calamus*
caleypha: *Lathyrus hirsutus*
California burclover: *Medicago polymorpha*
californian fuchsia: *Epilobium*
californian poppy: *Eschscholzia californica*

caltrops: *Tribulus terrestris*

Cambridge milk-parsley: *Selinum carvifolia*

campion: *Lychnis*

campion: *Silene*

Canada bluegrass: *Poa compressa*

canadian fleabane: *Conyza canadiensis*

canadian goldenrod: *Solidago canadensis*

canadian thistle: *Cirsium arvense*

canary-grass: *Phalaris*

canary-grass: *Phalaris canariensis*

candytuft: *Iberis*

canola: *Brassica napus*

Canterbury-bells: *Campanula medium*

cape-gooseberry: *Physalis peruviana*

caper spurge: *Euphorbia lathyris*

capeweed: *Arctotheca calendula*

caraway: *Carum*

caraway: *Carum carvi*

carline: *Carlina*

carline thistle: *Carlina vulgaris*

carnation: *Dianthus caryophyllus*

carnation sedge: *Carex panicea*

carrot: *Daucus carota*

carrot family: *Apiaceae*

casterpillar-plant: *Scorpiurus muricatus*

cat-mint: *Nepeta*

cat's-ear: *Hypochaeris*

cat's-ear: *Hypochaeris radicata*

cat's foot: *Antennaria dioica*

cat's-tail: *Phleum*

cat's-tail grass: *Lophochloa cristata*

cat's-tail millet: *Setaria pumila*

catbrier: *Smilax*

catchfly: *Lychnis*

catchfly: *Silene*

catnep: *Nepeta*

catnip: *Nepeta*

caucasian stonecrop: *Sedum spurium*

celeriac: *Apium graveolens*

celery: *Apium*

celery-leaved buttercup: *Ranunculus sceleratus*

centaury: *Centaurea*

centaury: *Centaureum*

cereal rye: *Secale cereale*

cinquefoil: *Potentilla*

cistus: *Cistus*

clalk false-brome: *Brachypodium pinnatum*

clary: *Salvia*

clary: *Salvia sclarea*

cleavers: *Galium aparine*

clotbur: *Xanthium spinosum*

cloud bentgrass: *Agrostis nebulosa*

clove gilliflower: *Dianthus caryophyllus*

clover: *Trifolium*

club-rush: *Scirpus*

club-rush: *Scirpus setaceus*

clubmoss: *Lycopodium*

clubmoss family: *Lycopodiaceae*

cluster clover: *Trifolium glomeratum*

clustered bellflower: *Campanula glomerata*

clustered dock: *Rumex conglomeratus*

cock's-eggs: *Salpichroa origanifolia*

cock's-foot: *Dactylis glomerata*

cocklebur: *Xanthium*

cockspur: *Echinochloa*

cockspur: *Echinochloa crus-galli*

cogongrass: *Imperata cylindrica*

colonial bentgrass: *Agrostis capillaris*

colt's-foot: *Tussilago farfara*

columbine: *Aquilegia*

columbine: *Aquilegia vulgaris*

colza: *Brassica napus*

comfrey: *Symphytum officinale*

common amaranth: *Amaranthus retroflexus*

common barley: *Hordeum vulgare*

common bentgrass: *Agrostis capillaris*

common bird's-foot-trefoil: *Lotus corniculatus*

common bistort: *Polygonum bistorta*

common broomrape: *Orobanche minor*

common butterwort: *Pinguicula vulgaris*

common centaury: *Centaureum erythraea*

common club-rush: *Scirpus lacustris*

common cornsalad: *Valerianella locusta*

common cottongrass: *Eriophorum angustifolium*

common couch: *Elymus repens*

common cow-wheat: *Melampyrum pratense*

common cudweed: *Filago vulgaris*
common chickweed: *Stellaria media*
common dog-violet: *Viola riviniana*
common evening-primrose: *Oenothera biennis*
common field-speedwell: *Veronica persica*
common figwort: *Scrophularia nodosa*
common fleabane: *Pulicaria dysenterica*
common fumitory: *Fumaria officinalis*
common glasswort: *Salicornia europaea*
common hemp-nettle: *Galeopsis tetrahit*
common knapweed: *Centaurea nigra*
common mallow: *Malva sylvestris*
common marsh-bedstraw: *Galium palustre*
common meadow-rue: *Thalictrum flavum*
common milkwort: *Polygala vulgaris*
common millet: *Panicum miliaceum*
common mouse-ear: *Cerastium fontanum*
common mullein: *Verbascum thapsus*
common nettle: *Urtica dioica*
common orache: *Atriplex patula*
common pea: *Pisum sativum*
common plantain: *Plantago major*

- spurge family:** *Euphorbiaceae*
- spurge-laurel:** *Daphne laureola*
- spurrey:** *Spergula*
- square-stalked St John's-woort:** *Hypericum tetrapterum*
- square-stalked willowherb:** *Epilobium tetragynum*
- squill:** *Scilla*
- squinancywort:** *Asperula cynanchica*
- squirreltail fescue:** *Vulpia bromoides*
- St Bernard's lily:** *Anthericum liliago*
- St Bruno's lily:** *Paradisea liliastrum*
- St Dabeoc's heath:** *Daboecia cantabrica*
- St John's-wort:** *Hypericum*
- St John's-wort family:** *Clusiaceae*

St Lucie cherry: *Prunus mahaleb*

St Patrick's-cabbage: *Saxifraga spathularis*

stag's-horn clubmoss: *Lycopodium clavatum*

stalked carrot seedgrass: *Tragus racemosus*

star-of-Bethlehem: *Gagea*

star-of-Bethlehem: *Ornithogalum*

star-of-Bethlehem: *Ornithogalum umbellatum*

star sedge: *Carex echinata*

star-thistle: *Centaurea*

starry clover: *Trifolium stellatum*

starry saxifrage: *Saxifraga stellaris*

starved wood-sedge: *Carex depauperata*

starwort: *Aster*

starwort: *Calitriche*

starwort: *Stellaria*

starwort mouse-ear: *Cerastium cerastoides*

statice: *Limonium*

sterile brome: *Bromus sterilis*

sterile oat: *Avena sterilis*

sticky catchfly: *Lychnis viscaria*

sticky clary: *Salvia glutinosa*

sticky groundsel: *Senecio viscosus*

sticky mouse-ear: *Cerastium glomeratum*

stiff brome: *Brachypodium distachyon*

stiff saltmarsh-grass: *Puccinellia rupestris*

stink-grass: *Eragrostis cilianensis*

stinking chamomile: *Anthemis cotula*

stinking fleabane: *Dittrichia graveolens*

stinking gladwin: *Iris foetidissima*

stinking goosefoot: *Chenopodium vulvaria*

stinking hawk's-beard: *Crepis foetida*

stinking hellebore: *Helleborus foetidus*

stinking iris: *Iris foetidissima*

stinking tutsan: *Hypericum hircinum*

stitchwort: *Stellaria*

stock: *Matthiola*

stone bramble: *Rubus saxatilis*

stone parsley: *Sison amomum*

stonecrop: *Sedum*

stonecrop family: *Crassulaceae*

stork's-bill: *Erodium*

stramonium: *Datura stramonium*

strapwort: *Corrigiola litoralis*

straw foxglove: *Digitalis lutea*

strawberry: *Fragaria*

strawberry clover: *Trifolium fragiferum*

strawberry-tree: *Arbutus unedo*

striate clover: *Trifolium striatum*

strong-spined medick: *Medicago truncatula*

subterranean clover: *Trifolium subterraneum*

succory: *Cichorium intybus*

Sudan-grass: *Sorghum sudanense*

suffocated clover: *Trifolium suffocatum*

sugar beet: *Beta vulgaris*

sulphur cinquefoil: *Potentilla recta*

sulphur clover: *Trifolium ochroleucon*

sulla: *Hedysarum coronarium*

sulla sweetvetch: *Hedysarum coronarium*

summer-cypress: *Kochia scoparia*

summer lady's-tresses: *Spiranthes aestivalis*

summer savory: *Satureja hortensis*

summer snowflake: *Leucojum aestivum*

sun spurge: *Euphorbia helioscopia*

sundew: *Drosera*

sundew family: *Droseraceae*

sunolgrass: *Phalaris coerulescens*

swedish clover: *Trifolium hybridum*

sweet alison: *Lobularia maritima*

sweet alyssum: *Lobularia maritima*

sweet balm: *Melissa officinalis*

sweet-briar: *Rosa rubiginosa*

sweet cicely: *Myrrhis odorata*

sweet corn: *Zea mays*

sweet chamomile: *Chamaemelum nobile*

sweet-flag: *Acorus calamus*

sweet galingale: *Cyperus longus*

sweet-grass: *Glyceria*

sweet hearts: *Galium aparine*

sweet marjoram: *Origanum majorana*

sweet rocket: *Hesperis matronalis*

sweet scabious: *Scabiosa atropurpurea*

sweet-scented orchid: *Gymnadenia conopsea*

sweet spurge: *Euphorbia dulcis*

sweet vernal-grass: *Anthoxanthum odoratum*

sweet violet: *Viola odorata*

sweet-William: *Dianthus barbatus*

- sweet-William catchfly:** *Silene armeria*
sweetclover: *Melilotus*
